- 3.2 The vacation year upon which accrual is based is July 1 through June 30.
- 3.3 Full-time employees accrue vacation leave based upon the schedule below. Part-time employees and employees working less than twelve months per year will accrue vacation leave on a pro-rata basis.

3.11 The Department of Human Resources will maintain an up-to-date record of vacation for each employee. Any questions concerning vacation record-keeping should be directed to Human Resources.

3.12 Employees requesting vacation leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

4.0 SICK LEAVE

4.1 Upon hire, a full-time Administrator or ATSS employee will receive one hundred and twenty (120) hours of sick leave credited to his/her leave account.

4.2 After the first year of employment and thereafter, sick leave will accrue for full-time Administrators and ATSS pro-rated each pay period for a maximum of 120 hours per year.

4.3 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated amount of sick leave credit as described in Section 1.0 of this policy, based upon the employee's full-time equivalency (FTE) percentage determined at the time of hire. For example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) hours of sick leave, etc.

4.4 After the first year of employment and thereafter, sick leave shall accrue for part time administrators and ATSS at a pro-rated amount based upon the employee's FTE for each day in any given pay period.

4.5 An Administrator or ATSS may transfer into the University any accumulated, documented, and verified sick leave balance that has been accumulated by a school system, government agency, department or institution of the government of the State of Ohio. If the employee elects to do so and informs the Department of Human Resources within ninety (90) days of his/her employment date, he/she may elect to transfer any unused and unpaid sick leave balance above one-hundred and twenty (120) hours to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had six hundred and twenty (620) hours of unused and unpaid sick leave from a prior state of Ohio employer, then five hundred (500) hours could be transferred to Shawnee State University.

- 4.6 There is no maximum applied to the amount of sick leave that may be accumulated during active employment.
- 4.7 The sick leave account balance will be reduced an hour for each hour of sick leave used. As an alternative to using up sick leave hours, the employee and supervisor may use flexible scheduling (working less hours of the normal schedule and making those hours up another time or day) to account for time off for medical appointments or other reasons which would otherwise be used as sick leave hours. For ATSS, hours must be made up within the same week, or if not, the sick leave account will be reduced an hour for each hour of sick leave used.
- 4.8 Sick leave may be utilized for an authorized absence from scheduled duties due to illness, accident, exposure to contagious disease, family emergencies requiring the attendance of the employee, dental or optical examination or treatment, pregnancy and/or childbirth and related conditions, or death in the immediate family.
- 4.9 The definition of an immediate family member includes: grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, same sex domestic partner, child, grandchild, legal guardian, or other person who stands in the place of a parent.
- 4.10 To request sick leave (including leave that qualifies under the Family Medical Leave Act – FMLA), a request form must be submitted to Human Resources or the immediate supervisor thirty (30) days in advance of the need, if foreseeable and such notice is practicable. If it is not possible for the leave request form to be submitted in advance of the leave, it must be approved by supervision and submitted to Human Resources upon return from the absence. Time on approved sick leave will run concurrent with an approved leave under FMLA (refer to section 5.0 below).
- 4.11 If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor's statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor's statement must be provided to the supervisor or Human Resources as soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

- 4.12 In situations involving FMLA leave, or leave involving less than five (5) consecutive work days, and there are habitual absences, a doctor's statement may be required upon the request of the supervisor or Human Resources. All doctors' statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee's immediate family. The failure to submit doctor's statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.
- 4.13 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an ARP participant who meets the eligibility requirements under the OPERS or STRS retirement systems and with ten or more years of full-time service with the University (including predecessor institutions), will be paid in cash for one-fourth of the value of one hundred sixty days (40 days). Payment will be based upon the employee's rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave).
- 4.14 The cash payout of sick leave balance as provided in section 4.13 will be made only once to any Administrator or ATSS. An employee, who received such cash payout rehired by the University after retirement, may accrue and use sick leave while actively employed but shall not convert to cash any unused sick leave balance at the time of a second retirement.
- 4.15 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.
- 4.16 Employees requesting sick leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.
