

2023-2024 Special Condition Application

Student Name : _____ **Student ID:** _____

Federal Regulation for Financial Aid allows a Financial Aid Administrator limited authority to adjust the Free Application for Federal Student Aid (FAFSA) data elements when certain circumstances exist. A Special Condition is not the costs associated with lifestyle choices, consumer indebtedness (house payments, car expenses, living without roommates, credit card debt, etc.). Please note, bankruptcy cannot be used in the review of eligibility for financial aid. If you feel that your circumstances have changed significantly since you originally filed your 2023-2024 FAFSA, please review this form and follow the instructions.

Your FAFSA and all verification documents must be submitted prior to filing a Special Condition Application.

Step 1: In the first column of the table below, check the appropriate circumstance, attach a signed statement explaining the details, and provide all necessary supporting documentation.
