

RESOLUTION F04-11

DEAN OF STUDENTS

WHEREAS, the Division of Student Affairs is undergoing an extensive external and internal assessment of the organization's strengths and challenges for the effective delivery of services being realized with the substantial growth of the University's student population; and

WHEREAS, the President has directed that focused attention be given to the activities that provide a quality and fulfilling campus life for students as well as the internal processes that require highly professional and equitable application of the University's student code of conduct and judicial affairs; and

WHEREAS, the President initiated an interim assignment to a position titled Dean of Students that is emerging as an essential oversight of these specialized student areas; and

THEREFORE, BE IT RESOLVED, that Shawnee State University's Board of Trustees approves the creation of the position titled Dean of Students.
