

## **RESOLUTION F03-10**

### **APPROVAL OF AY10-11 UNDERGRADUATE AND GRADUATE TUITION AND FEES**

WHEREAS, in response to Am. Sub. H.B. 1 and IUC presidents' commitment to hold to a maximum of 3.5 percent in undergraduate tuition and general fees; and

WHEREAS, according to a survey of Ohio schools, a 4% increase to SSU's graduate tuition and general fees maintains our competitive position within the market; and

WHEREAS, Shawnee State University requires resources greater than projected state subsidy revenue and existing tuition and fees to meet costs related to growth, fulfill USO goals and mandates, and to cover inflationary and operational needs for fiscal year 2011; and

WHEREAS, Shawnee State extended the two-tier rate structure beyond the original intended date of spring 2007 and the few remaining eligible students will be individually notified of the discontinuation of tier two; and

WHEREAS, the proposed tuition and fee charges as listed on the accompanying schedule are recommended by the SSU Finance and Facilities Committee;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University approves the attached tuition and fees schedule effective beginning summer semester 2010.
