Step 4: Select MyHousing Self-Service.

Selecting the **MyHousing Self-Service** Button will bring you to the overview page, where basic information regarding your housing and dining information as well as other important housing information will be displayed. All Self-Service options are available to students on the top Navigation Panel.

The screenshot shows the 'Housing' overview page. The top navigation bar includes 'Home', 'MyInfo', 'Financial Aid', 'Campus Life', 'Student', 'Housing', and 'My Pages'. The main content area is titled 'Housing' and features a 'Move-In Details' section with the heading 'Move in day for Spring 2019 : Sunday, January 13'. Below this, a message states: 'New housing students are required to check-in the Sodexo Ballroom in the Morris University Center prior to moving into their residence hall'. To the right, the 'MyHousing Self-Service' section contains a message: 'To apply for housing for Spring 2019 click the MyHousing Self-Service button below.' and a 'MyHousing Self-Service' button. Below that is a 'Handouts' section with a link to 'Online Application Guide (.pdf, 564K)' and a 'Go to Main Screen' button. A left sidebar contains 'Quick Links' and 'My Pages'.

Step 5: Select the correct Student Application.

The screenshot shows the Shawnee State University student application selection screen. The top navigation bar includes 'Home', 'Applications', 'Personal Information', 'Room Selection', 'Dining', and 'More Tasks...'. The 'Applications' dropdown menu is open, showing two options: 'NEW Student Application (Spring 2019)' and 'NEW Student Application (Fall 2019)'. A green arrow points to the 'NEW Student Application (Spring 2019)' option. Below the navigation bar, the user's profile information is displayed: 'Jonathan James', '155743', 'jonathanjames@hotmail.com', and 'Box No.: 0'. The main content area is divided into several sections: 'Messages' (no messages), 'Room Selection' (no room selection processes to list), 'Room Assignments' (no active room assignments to list), and 'Dining Plans' (no active dining plans to list). A 'Sign Out' button is located in the top right corner. An 'Information' box on the right side contains a 'Welcome to Self Service!' message and contact information for the Office of Housing & Residence Life.

NEW STUDENTS

- From the navigation panel, click on the “New Student Application (Fall 2019) or appropriate term”
- If you have been accepted into the university as a new student, and you do not see this option, please email us at housing2@shawnee.edu or call the Housing & Residence Life Office at 740-351-3222 for assistance/verification.

When you select the correct application, you will then be taken to a screen that allows you to complete the following:

- 1.) Electronically sign your Housing Contract. **Note: This is a legally binding contract for one academic year (August-May)!**
- 2.) Fill out your application by answering some important lifestyle questions. **There are help texts along the right hand side of the screen to help you along the way.**
- 3.) Input important Emergency Contact or Guardian/Emergency Contact information. *For students under 18, please place a parent/guardian in the Guardian contact so they can approve your application.*
- 4.) Select your preferred meal plan.
- 5.) If applicable, pay your Housing Deposit. *Please note that using a credit card will result in a convenience charge, but using an electronic check will not.*

It is important to note that students who sign their contract, fill out and submit their application will be bound to living in housing for the following academic year, unless they are granted contract release for reasons stated in the contract and Resident Handbook.

Congratulations! After you submit your application, you have completed the online application. Should you have any questions, concerns or comments, please email the Office of Housing & Residence Life at housing2@shawnee.edu or stop in and see us in UC 222. Thank you!
