along with dates and prison dates. The Dean of Students then reviews this information and conducts an interview to determine if he/she should be admitted to SSU.

As a follow-up, the individual felons must check-in with the Vice President for Student Affairs each semester before registering for classes.

For the 2010 thru 2012 academic years, no felons have been in the conduct process, and the grade point average has increased from .8223 in 2011 to 1.186 for 2012.

Background Summary for
Board Approval of the Amendment of the
Shawnee State University Alternative Retirement Plan and
Authorization for Adopting Future Amendments to Retirement Plans

Background on the Alternative Plan

The University's Alternative Retirement Plan (the "Alternative Plan") is an alternative to participating in the Ohio State Teacher Retirement System, the Ohio Public Employee Retirement System, and where applicable, the Ohio School Employees Retirement System. The Alternative Plan is a tax-qualified retirement plan and participants do not pay taxes on their contributions or accounts until those amounts are distributed. The Plan also is subject to Chapter 3305 of the Ohio Revised Code.

The Alternative Plan is maintained pursuant to the provisions of a written plan document. Under the current Alternative Plan, the Board must approve amendments to the Alternative Plan.

Background on the 403(b) Plan

The University also sponsors a tax-deferred annuity plan under Internal Revenue Code Section 403(b) (the "403(b) Plan"). The 403(b) Plan provides participants an opportunity to make voluntary salary deferrals from the participant's compensation. The participants do not pay taxes on their contributions or accounts until those amounts are distributed.

The 403(b) plan is maintained pursuant to the provisions of a written plan document. Under the current 403(b) plan document, the Board must approve amendments to the 403(b) plan.

Summary of Changes

Previously, under Chapter 3305 of the Ohio Revised Code, the Ohio Department of Insurance designated entities to provide investment options under the Alternative Plan. Recently, the Ohio General Assembly amended Chapter 3305 of the Ohio Revised Code to transfer this responsibility to the Ohio Board of Regents.

Previously, under Chapter 3305 of the Ohio Revised Code, Alternative Plan participants were only permitted to change investment providers once per year. Recently, the Ohio General Assembly amended Chapter 3305 of the Ohio Revised Code to permit provider changes at any time during the year, subject to terms and conditions established by the employer.
The Alternative Plan document is being amended to incorporate these statutory changes. Under the current Alternative Plan document, the Board must approve amendments to the Alternative Plan.

The Alternative Plan document and the 403(b) Plan document currently require a resolution by the Board in order to amend the plan documents. The resolution will approve an expedited process for executing amendments to the Alternative Plan and to the 403(b) Plan such that technical amendments will not require full Board approval.

Purpose of the Resolution

The resolution would approve the amendment of the Alternative Plan, effective as of November 2, 2012 as described in the “Summary of Changes” section above. The resolution would also authorize the Vice President, Finance and Administration, to take action and execute such documents and/or his or her designee to take actions and execute such documents to sign the amendment and any other documents needed to carry out the Alternative Plan amendment.

The resolution would also give authority to the Vice President, Finance and Administration, to take action and execute such documents as are necessary to effectuate future amendments to the Alternative Plan or the 403(b) Plan, and ancillary documents, without further review or resolution by the Board in the event such amendments to the Alternative Plan or 403(b) Plan are of a technical non-discretionary nature.
