RESOLUTION F05-18

CONTINUING UNIVERSITY SPENDING AUTHORITY

WHEREAS, strategic budgeting initiatives are underway that will impact university revenue and expenditure assumptions for the FY2019 budget year; and

WHEREAS, the FY2019 budget is anticipated to be presented to the Board of Trustees for review and approval at the Board’s August 2018 meeting; and

WHEREAS, it is necessary to continue to meet financial obligations, including payment of salaries and other operating expenditures until such time that the FY2019 operating budget is approved;

THEREFORE, BE IT RESOLVED, the Board of Trustees approves University spending authority consistent with the level of resources as approved for FY2018 until such time the FY2019 operating budget is approved by the Board.
RESOLUTION F06-18

REQUEST FOR TUITION WAIVER AT THE STATE-APPROVED COLLEGE CREDIT PLUS (CCP) PROGRAM RATES TO BE EXTENDED TO NON-PUBLIC AND HOMESCHOOL STUDENTS

WHEREAS, the College Credit Plus (CCP) program provides low cost college educational opportunities for Ohio students (pre-high school graduation); and

WHEREAS, the State’s funding for the CCP program is limited for non-public and homeschool students; and

WHEREAS, access to reduced tuition will encourage non-public and homeschool students who receive limited funding under the CCP program to enroll in college courses and will enhance the State’s goal of providing low-cost education to an expanded number of eligible Ohio students; and

WHEREAS, non-public and homeschool students who are accepted by the State CCP program will be able to self-pay up to 30 credit hours per academic year (includes hours awarded by the State) at the approved CCP rates; and

WHEREAS, the tuition waiver will offset the University’s AY2018 in-state undergraduate per credit hour tuition rates of $306.84 for continuing students and $348.14 for first-time students (Shawnee State Advantage) to match the default, State-approved CCP rates (AY2017-18 rates are $166.28/cr. hr. taken on SSU campus and $41.57/cr. hr. if taken at school) for the applicable academic year;

THEREFORE, BE IT RESOLVED, that the Shawnee State University Board of Trustees authorizes the Vice President for Finance and Administration to apply to the Chancellor of the Ohio Department of Higher Education for a waiver of in-state undergraduate tuition rates to match the State-approved CCP rates (on and off site) for non-public students and homeschool students for the same coursework and to ensure these students are able to enroll in the equivalent number of credit hours available to public school students under the CCP program;

THEREFORE, BE IT FURTHER RESOLVED, upon approval by the Chancellor of the Ohio Department of Higher Education, the tuition waiver will enable non-public and homeschool students to have the same opportunities as public school students by self-paying the remaining credit hours (up to 30/academic year) that are not covered by the CCP program for the academic years of 2018-19 and 2019-20 (includes summer terms).

Litigation

• Still very early in the litigation
  • Defendants likely have reasonable defenses to claims
  • BUT likely to dramatically change the 403(b) market
  • Claims easy to replicate from university to university

The court’s focus in the fee litigation lawsuits is largely on process, not best possible result.
Mitigating Potential Liability
Applicable Regulations

• **Ohio Revised Code (ORC):**
  - Sets forth fiduciary duties and requirements related to plan vendors and investments for alternative retirement plans (ARPs)

• **Ohio Department of Higher Education (ODHE):**
  - Designates vendors eligible to provide investment options to participants in ARPs.

• **Boards of Trustees (BOTs):**
  - Have **fiduciary responsibility:**
    - In regard to terms and conditions for which it is has discretion related to the investments and administration of the plan.
    - To monitor its vendors to ensure that delegated duties are being met.
Fiduciary Standards

**Duty of Loyalty**
- Duty to act solely in the interest of participants and beneficiaries.
- Duty to act for the exclusive purpose of providing benefits or paying reasonable plan expenses.
- Duty to act independently and without conflicts of interest.
- Duty to act impartially among differing interests.

**Duty of Prudence**
- Duty to act with care, skill, prudence, and diligence of prudent person familiar with like matters.
- Duty to be informed.
- Duty to delegate responsibilities outside of expertise.
- Duty to diversify investments.

**Duty to Follow Plan Document**

**Prohibited Transactions**
- No self-dealing.
- Cannot pay unreasonable compensation for services performed.
Designation of Fiduciary

• In the absence of BOT delegation, an institution can act only through its Board.

  • Board remains responsible for retirement plans unless it has properly delegated responsibility to another party.

  • Just because human resources has always handled plan administration does not mean that the Board has properly delegated that responsibility.

• Human resources officers and finance officers are typically functional fiduciaries.
