3.0 VACATION

3.1 The University regards a vacation as a period of rest and relaxation earned for past service. Since the annual vacation is important to the wellbeing of employees and their families, employees are encouraged to utilize all earned vacation.

3.2 The vacation year upon which accrual is based is July 1 through June 30.

3.3 Full-time employees accrue vacation leave based upon the schedule below. Part-time employees and employees working less than twelve months per year will accrue vacation leave on a pro-rata basis.

3.4 An employee may accumulate a maximum of two (2) times the accrued days of vacation earned in one year. This amount may be carried over from year to year. Any unused time above this maximum as of June 30 must be used by September 30 of the next fiscal year.

3.5 A newly hired employee’s vacation accrual rate may include previous full time service with a State of Ohio state agency or political subdivision with the following conditions:
3.5.1 The employee must inform and provide written documentation to the Department of Human Resources within ninety (90) days of employment that s/he has full time service with a state agency or political subdivision of the State of Ohio. In such case, the employee’s accrual will be adjusted to the appropriate rate from the date of employment with the University.

3.5.2 Notification by the employee to the Department of Human Resources received after ninety (90) days of employment with the University will be applied to the employee’s accrual rate beginning the next full pay period in which the request and required documentation are received by Human Resources.

3.5.3 A year of full time service with a state agency or political subdivision is considered as twenty-six (26) biweekly periods.

3.5.4 The employee’s adjusted accrual balance (whether retroactive to the employment date or a later date) will be reflected on the pay records beginning with the next full pay period after receipt of required documentation.

3.6 All vacation requests must be approved by the appropriate supervisor prior to the employee actually taking time off, except when leave is used in cases of emergency.

3.7 When an official University observed holiday falls within an employee's vacation that day will not be charged as vacation.

3.8 All accrued vacation must be exhausted before an unpaid leave of absence commences.

3.9 Employees who retire or resign will be paid for earned but unused vacation up to a maximum of two times the accrued days of vacation in one year at the time of his/her departure. In the event of the death of an employee, vacation pay for vacation earned but not taken up to a maximum of two times the accrued days of vacation in one year will be paid to the estate of the employee.

3.10 It is the employee's responsibility to see that vacation request forms are signed, approved by the supervisor, and submitted to the Department of Human Resources.
3.11 The Department of Human Resources will maintain an up-to-date record of vacation for each employee. Any questions concerning vacation record-keeping should be directed to Human Resources.

3.12 Employees requesting vacation leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

4.0 SICK LEAVE

4.1 Upon hire, a full-time Administrator or ATSS employee will receive one hundred and twenty (120) hours of sick leave credited to his/her leave account.

4.2 After the first year of employment and thereafter, sick leave will accrue for full-time Administrators and ATSS pro-rated each pay period for a maximum of 120 hours per year.

4.3 Upon hire, the part-time Administrator or ATSS employee will receive a pro-rated amount of sick leave credit as described in Section 1.0 of this policy, based upon the employee’s full-time equivalency (FTE) percentage determined at the time of hire. For example, a half-time employee (.50 FTE) will be eligible for a credit of sixty (60) hours of sick leave, etc.

4.4 After the first year of employment and thereafter, sick leave shall accrue for part-time administrators and ATSS at a pro-rated amount based upon the employee’s FTE for each day in any given pay period.

4.5 An Administrator or ATSS may transfer into the University any accumulated, documented, and verified sick leave balance that has been accumulated by a school system, government agency, department or institution of the government of the State of Ohio. If the employee elects to do so and informs the Department of Human Resources within ninety (90) days of his/her employment date, he/she may elect to transfer any unused and unpaid sick leave balance above one-hundred and twenty (120) hours to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had six hundred and twenty (620) hours of unused and unpaid sick leave from a prior state of Ohio employer, then five hundred (500) hours could be transferred to Shawnee State University.
4.6 There is no maximum applied to the amount of sick leave that may be accumulated during active employment.

4.7 The sick leave account balance will be reduced an hour for each hour of sick leave used. As an alternative to using up sick leave hours, the employee and supervisor may use flexible scheduling (working less hours of the normal schedule and making those hours up another time or day) to account for time off for medical appointments or other reasons which would otherwise be used as sick leave hours. For ATSS, hours must be made up within the same week, or if not, the sick leave account will be reduced an hour for each hour of sick leave used.

4.8 Sick leave may be utilized for an authorized absence from scheduled duties due to illness, accident, exposure to contagious disease, family emergencies requiring the attendance of the employee, dental or optical examination or treatment, pregnancy and/or childbirth and related conditions, or death in the immediate family.

4.9 The definition of an immediate family member includes: grandparents, brother, sister, brother-in-law, sister-in-law, daughter-in-law, son-in-law, father, father-in-law, mother, mother-in-law, spouse, same sex domestic partner, child, grandchild, legal guardian, or other person who stands in the place of a parent.

4.10 To request sick leave (including leave that qualifies under the Family Medical Leave Act – FMLA), a request form must be submitted to Human Resources or the immediate supervisor thirty (30) days in advance of the need, if foreseeable and such notice is practicable. If it is not possible for the leave request form to be submitted in advance of the leave, it must be approved by supervision and submitted to Human Resources upon return from the absence. Time on approved sick leave will run concurrent with an approved leave under FMLA (refer to section 5.0 below).

4.11 If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor’s statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor’s statement must be provided to the supervisor or Human Resources as soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).
4.12 In situations involving FMLA leave, or leave involving less than five (5) consecutive work days, and there are habitual absences, a doctor’s statement may be required upon the request of the supervisor or Human Resources. All doctors’ statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee’s immediate family. The failure to submit doctor’s statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

4.13 The Administrator or ATSS, upon official state retirement from active service or upon separation of employment by an ARP participant who meets the eligibility requirements under the OPERS or STRS retirement systems and with ten or more years of full-time service with the University (including predecessor institutions), will be paid in cash for one-fourth of the value of one hundred sixty days (40 days). Payment will be based upon the employee’s rate of pay at the time of retirement. Any unpaid leave remaining on the Shawnee State sick leave account will be available for use upon rehire (unless hired into a position that does not provide sick leave).

4.14 The cash payout of sick leave balance as provided in section 4.13 will be made only once to any Administrator or ATSS. An employee, who received such cash payout rehired by the University after retirement, may accrue and use sick leave while actively employed but shall not convert to cash any unused sick leave balance at the time of a second retirement.

4.15 Intentional misuse of the sick leave provision herein may be considered grounds for disciplinary action. Non-compliance with sick leave rules and regulations may result in the Administrator or ATSS not receiving pay for the requested sick leave.

4.16 Employees requesting sick leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

5.0 FAMILY AND MEDICAL LEAVE (FMLA)

5.1 SCOPE

5.1.1.4 Serious illness of a member of the employee’s immediate family – a serious health condition (as defined in 5.1.3 above) which requires the employee to provide care. Immediate family is: father, mother, spouse and child (under 18 or over 18 if incapable of self-care.)

5.1.1.6 Care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent or next of kin
of the service member.

5.2 LENGTH OF LEAVE/Paid or Unpaid

The length of leave can be up to twelve weeks. Employees will first use sick leave, where appropriate, prior to vacation and any unpaid leave. Employees will use vacation and any comp time prior to any unpaid leave after sick leave is exhausted or for events where sick leave is inappropriate. FMLA leave coordinates and runs concurrently with other paid and unpaid leaves.

5.3 CHILDBIRTH AND ADOPTION TIMEFRAME

Leave under this policy which pertains to care for a newborn, adopted, or foster child may only be taken within twelve months of the child's birth or placement into the employee's home.

The University may require an independent examination at no cost to the employee.

5.5 NOTICE OF THE LEAVE

Employees must provide at least thirty days' advance notice if the leave is foreseeable. If the leave must begin within fewer than thirty days, the employee must provide notice as soon as practicable.

5.6 EMPLOYMENT AND BENEFITS PROTECTION

Any employee who takes leave under the provisions of this policy, on return from such leave shall be restored by the University to the position of employment held by the employee when the leave commenced or be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

5.7 CONTINUATION OF HEALTH PLAN COVERAGE DURING FMLA LEAVE
If after the exhaustion of all forms of paid leave, a period of unpaid leave is required to complete the twelve week leave given through this policy, the University shall maintain the coverage under the group health plan for this period under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of the leave.

5.8 RETURN FROM FMLA LEAVE

If the employee fails to return from an FMLA leave, the University may recover the premium that the employer paid for maintaining coverage for the employee under the group health plan during any period of unpaid leave.

5.9 REQUEST FOR LEAVE

Employees requesting FMLA leave should complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs or as soon as practicable thereafter.

6.0 DISABILITY LEAVE

6.1 APPLICATION

6.1.1 Full-time Administrators and ATSS may be granted a disability leave of absence in the event of a disabling illness or injury (except work related in which case workers' compensation rules will apply) that extends beyond leave provided under FMLA.

6.1.2 Approval of such leave is contingent upon the employee submitting a satisfactory written physician's statement attesting that the essential functions of the assigned position cannot be performed.

6.1.3 The University can request that an examination be completed by a physician of its choosing. In such case, the University will pay for the cost of the examination.

6.1.4 Written application to the Department of Human Resources should be made as early as possible and must include a statement from the attending physician with a projected return date.
6.2 DURATION AND RETENTION

6.2.1 The duration of disability leave will be based on the projected return date provided by the attending physician. An initial request for disability leave may be for one year or less. A disability leave may be extended one additional year with a request for such extension to be made no later than sixty (60) days prior to the originally scheduled return date. The total amount of time on such leave, paid or unpaid, for the same injury or illness, may not exceed two years. The amount of time shall be reduced by family medical leave used for the same injury or illness.

6.2.2 In order to be paid leave, the employee will use earned but unused sick, vacation, or comp time. All types of paid leave must be used prior to unpaid leave.

6.2.3 Prior to returning to work, the employee must provide the University with the attending physician’s release attesting to his/her ability to perform the essential job duties. The University may request an independent examination as identified in 6.1.3 above.

6.2.4 The employee will retain reinstatement rights to his/her current position if the disability leave is six (6) months or less. If such leave time exceeds six (6) months, up to a maximum of twelve (12) months, the University will place such employee in the same or similar position in which the employee possesses the required qualifications necessary to perform the essential responsibilities. The University will make every effort to reinstate an employee to the same or similar position if such leave exceeds one year.

6.3 INSURANCE COVERAGE

6.3.1 The University will continue group health insurance throughout the period of an approved paid leave.

6.3.2 The University will continue group health insurance throughout the period of an approved unpaid leave for a maximum of six (6) months.

6.3.3 While on an approved unpaid leave (other than FMLA), the employee must timely remit the established insurance contribution payments for the
duration of the leave. If the employee payment contributions are not timely remitted, the employee will forfeit University-provided health plan coverage and may elect health plan continuation under COBRA at 102% of the full cost of the University’s health plan.

6.3.4 The University will continue group health insurance as provided in the Family Medical Leave Act (FMLA) of 1993 as currently amended, and offer group health continuation and conversion benefits as provided under the Consolidated Omnibus Reconciliation Act (COBRA).

6.4 DISABILITY RETIREMENT REINSTATEMENT

In the case of an employee who has been granted a disability retirement through OPERS or STRS, the period of reinstatement shall be in accordance with the prevailing rules of the state retirement system. An employee who wishes to be reinstated from disability retirement must make written application to the appropriate Vice President and must complete a "fit to return to duty" examination showing recovery from the disability or injury and attest that the essential functions of the position can be performed. The physical examination shall be given by a licensed physician designated by the University or in the case of disability retirement, by a physician designated by the state retirement system. The cost of such examination will be borne by the individual. No application for reinstatement will be valid if filed after the date that an employee is eligible for service retirement with the state retirement system. The University will consider an application submitted under this provision, however, reinstatement is not guaranteed.

6.5 Employees requesting disability leave must complete and sign a Request for Leave Form, obtain the signature of their supervisor and send the original form to Human Resources prior to the end of the pay period in which the leave occurs.

7.0 WORKERS’ COMPENSATION LEAVE

Workers’ compensation leave will be provided as set forth in the Ohio statutes (ORC Chapter 4123) for workplace injuries and/or occupational diseases. Additional information may be found on the University website at the Office of Human Resources webpages.

8.1 An employee who is required to report for jury duty or is subpoenaed to appear before any court, commission board, or other legally constituted body, where the employee is not a party to the action, shall be entitled to leave with pay for the scheduled work hours lost as the result of such duty. For ATSS employees, the employees will be compensated by the University in an amount equal to his/her straight-time (non-overtime) rate of pay. For both Administrators and ATTS employees, their normal pay will be paid to them while on jury duty, less the amount received by the employee from the government for such appearance. An employee who reports for such duty and is excused shall immediately contact his/her immediate supervisor and report for work, if requested. In order to be paid by the University for such leave the employee must submit to Human Resources written proof, executed by the administrator of the court showing the duration of such duty and the amount of compensation received for such duty.

Applicable Procedure: 5.36:1 Circumstances & Processes to Ban Individuals from University Property
1.0 SCOPE OF PROCEDURE

1.1 The purpose of this procedure is to identify the following: the circumstances for banning individuals; the University officials with requisite authority to issue a ban, and the University processes for instituting University bans.

1.2 This procedure applies to all employees, students, vendors and other campus visitors.

2.0 CIRCUMSTANCES FOR BANNING INDIVIDUALS

2.1 An individual may be banned from University property for any of the following reasons or circumstances:

2.1.1 Active or passive, willful or deliberate obstruction, disorderly conduct, disruption, or occupation of building entrances, walkways, parking areas, the interior of any building, especially classrooms and offices, or any other space that impedes implementation of authorized programs and functions of University;

2.1.2 Detaining, holding, intimidating, injuring, menacing, stalking, or threatening to injure or coerce by bodily harm any person lawfully upon property owned, leased, managed or operated by the University;

2.1.5 Engaging, participating, or furthering any act or action that is in violation of criminal law; and

2.1.6 Violation of any University policy or procedure, the purpose of which is to ensure the health and/or safety of the campus.

3.0 UNIVERSITY OFFICIALS AUTHORIZED TO BAN INIDIVIDUALS

3.1 The following University officials have authority to order individuals to immediately leave or be removed from University property and to prohibit their return until further notice:

President of the University
Any University police officer
Any Vice President
Dean of Students

4.0 PROCESS FOR BANNING INDIVIDUALS

4.1 An authorized University official may give a verbal ban notice when deemed appropriate by that official. A written ban will be issued as soon as practicable after the verbal notice, which will normally be within three business days. The process for issuing a written ban is dependent upon the status of the individual as follows:

4.1.1 Students

Students may be banned from any University property as a disciplinary measure or when placed on emergency suspension, in accordance with the Student Conduct Code process. Written notification will identify the time period of the ban and prohibited University areas and will be issued by the Dean of Students or other University official identified in the Student Conduct Code for this type of action.

4.1.2 Employees

Employees may, if the circumstances are deemed appropriate, be banned from any University property when placed on administrative leave, or
when suspended or terminated from employment with the University. All employees will be notified in writing by the responsible University official.

4.1.2.1 Faculty determinations will be made by the Provost.

4.1.2.2 Determinations for other employees will be made by the Vice President for Finance and Administration.

4.1.3 Vendors and other Visitors

4.1.3.1 A written notice from the Director of Public Safety will be promptly sent to the banned individual, when possible. The written notice will include the following information: reasons or circumstance(s) for the ban; identification of university buildings, or campus area the individual is prohibited from entering; dates or duration of the ban; process for seeking review of the ban determination.

4.1.3.2 Visitors banned from campus are not entitled to a hearing but may, within five business days of the written notification, submit a request in writing [to the Vice President for Finance and Administration (VPFA)] for a review of the decision. The request must include reasons to support a reversal. Notice of the VPFA’s decision will be provided within 30 days of receipt of the request and will be considered final.

4.2 An individual who violates the terms of a ban notice, whether verbal or in writing, is subject to arrest and prosecution for criminal trespassing.

5.0 SCOPE AND LENGTH OF BAN

5.1 An individual may be banned from the entire University, including leased or managed property, as deemed appropriate by an authorized University official.

5.2 A typical ban period is six months or a semester, one year or indefinite period of time. The length of time of a ban should be commensurate with the gravity and nature of the offense. The following factors may be considered: age of the offender and whether the individual is a repeat offender or a convicted felon.
6.0 RECORDS AND LOG OF BANNED INDIVIDUALS

6.1 A copy of all written notifications to ban students, employees, vendors and other visitors will be maintained in the Department of Public Safety (DPS). The DPS will also be responsible for maintaining a log of all banned individuals that will identify the duration and prohibited University areas of each banned individual.
