Information Items

Mr. Mark Moore, Registrar, presented the Fall 2013 Commencement Report. There were 117 Bachelor Degrees awarded with 44 in the College of Professional Studies, 71 in the College of Arts and Sciences, and 2 in the University College. There were 71 Associate Degrees awarded with 61 in the College of Professional Studies, nine in the College of Arts and Sciences, and one in the University College.

Mr. Moore also presented the Enrollment Comparison Report for the first day of spring 2014 as compared to spring 2013. Headcount (total students enrolled) for spring 2014 is 3,798. This is 207 less students than spring 2013 and represents a 5.4% decrease. The FTE (full time equivalent) for spring 2014 is 3,343. This, too, represents a 5.4% decrease from spring 2013.

Dr. Jeffrey Bauer, Dean, College of Arts and Sciences, and Ms. Melissa Saab, a senior in the pre-med program, shared information on Pre-Med Day which was held December 13, 2013. This annual event is orchestrated by the Department of Natural Sciences and the Pre-Med Club. There were 115 students in attendance. Those in attendance had an opportunity to see the cadavers and learn about the cadaver dissection course; to interact with SSU alumni either currently in medical school or recently completed medical school; to learn about the pre-med curriculum; to see the biomedical research we are conducting here; and to learn more about the Medical School application process.

Mr. Bob Trusz, Interim Vice President for Student Affairs, reported on Spring Orientations. There were two orientations held, one December 12th with 77 students attending and one on January 3rd with 49 attending, for a total of 126.

Mr. Trusz also presented the Spring Semester Housing Occupancy Report. Overall, Housing is at 87.1% occupancy.

Ms. Brittany Barta, President of the Student Programming Board, reported on planned events by the SPB which include: Homecoming Activities, events for Black History Month, and events for Springfest Week. The SPB is now using software to track student attendance at SPB programs.

Education Item

Dr. Rhoni Maxwell-Rader, Professor, Department of Social Sciences, and Director of the Honors Program provided an update on the Honors Program. She shared information via the Fall 2013 issue of The Shawnee State Honors Program Newsletter. Fall semester activities included Community Service at Sierra’s Haven Animal Shelter, Operation Christmas Child, and caroling at local nursing homes. Other activities and field trips included participation in the SSU Bear
Walk/Run, the Honors Book Club, and the Study Abroad Panel Discussion. Several activities have already been planned for the spring semester.

External Relations Committee – Ms. Melissa Higgs-Horwell, Chair

Ms. Higgs-Horwell reported on behalf of the External Relations Committee and said the Committee did not have any action items. She said Mr. Eric Braun, Executive Director of Development and Special Assistant to the President for Government Relations, updated the Committee on the University’s efforts in economic and workforce development.

Finance and Administration Committee – Ms. Elizabeth Seif, Chair

Ms. Seif reported on behalf of the Finance and Administration Committee and said the Committee did not have a quorum for its meeting and action items would be presented for approval by the Board of Trustees. She said the Committee had nine action items and several information items.

1.0 PURPOSE

Shawnee State University, created pursuant to O.R.C. Chapter 3362, serves as the regional state university for Southern Ohio. SSU is an open access university for all students who have successfully completed a high school education. This policy serves to identify SSU’s requirements for admission to the University’s degree programs and the credit requirements for those programs.

2.0 ADMISSION REQUIREMENTS FOR BACCALAUREATE AND ASSOCIATE DEGREE PROGRAMS

2.1 Admission to University baccalaureate or associate degree programs is determined by an applicant’s (1) earned high school diploma, as defined by the State of Ohio, (2) level of “college preparedness” as defined by the State of Ohio’s UNIFORM STATEWIDE STANDARDS for REMEDIATION-FREE STATUS (see link to state standards webpage below), and (3) ability to meet the requirements of a specific selective-admission program.

2.1.1 Non-College Prepared Students. Applicants not meeting the college preparedness standard will only be admitted into a non-selective admission associate degree program and be required to participate in University programs and courses for underprepared college students.

2.1.2 International Applicants. Admission requirements for international applicants also include meeting a university-established minimum test score on the Test of English as a Foreign Language (TOEFL) or equivalent for applicants whose native language is not English and proof of sufficient financial resources.

2.1.3 Transfer Students. Applicants applying for admission to associate or baccalaureate programs who have earned credit from other regionally accredited colleges or universities are considered transfer students and are
admitted under the same standards described in sections 2.2 and 2.3 of this policy and may be subject to additional requirements.

2.2 Associate Degrees. The University offers both selective and non-selective admission associate degree programs. All associate degree programs will require a minimum of 60 hours of undergraduate credit and completion of University requirements and a curriculum specified for the particular program prescribed in the Shawnee State University Catalog (http://catalog.shawnee.edu/index.php) at the time of the applicant’s matriculation.

2.3 Baccalaureate Degrees. The University offers both selective and non-selective admission baccalaureate degree programs. All bachelor’s degree programs shall require a minimum of 120 hours of undergraduate credit and completion of University requirements and a curriculum specified for the particular program prescribed in the Shawnee State University Catalog (http://catalog.shawnee.edu/index.php) at the time of the applicant’s matriculation.

3.0 ADMISSION REQUIREMENTS FOR MASTER’S DEGREE PROGRAMS

3.1 Master’s degree programs shall require a minimum of 30 hours of credit at graduate level and completion of University requirements and a curriculum specified for the particular program prescribed in the Shawnee State University Catalog (http://catalog.shawnee.edu/index.php) at the time of the applicant’s matriculation.

3.1.1 Applicants are only admitted to selective admission Master's degree programs.

3.1.2 Applicants to an SSU a master’s degree program must present evidence of an earned bachelor’s degree from a regionally accredited institution and meet the requirements for the program for which they are applying.

3.1.3 International applicants are subject to additional requirements established by the University’s Graduate Center

4.0 NON-DEGREE SEEKING APPLICANTS

4.1 Individuals who enroll at the University who are not seeking a degree for reasons or circumstances such as personal enrichment, transient status, dual credit enrollments, Post-Secondary Enrollment Option (PSEO), or other early college programs will be admitted as non-degree students. Credits earned as a non-degree seeking student may be applied upon admission to a degree program.

RESOLUTION ASA 03-14

UNIFORM STATEWIDE STANDARDS FOR REMEDIATION-FREE STATUS

WHEREAS, the Presidents of Ohio’s public colleges and universities established Uniform Statewide Standards for Remediation-Free Status; and

WHEREAS, Shawnee State University participated in the development and implementation of the remediation-free standards; and

WHEREAS, the University has integrated these standards into its practices; and

WHEREAS, the university is committed to providing opportunities for college success for all Ohio high school graduates; and

WHEREAS, Ohio Revised Code 3345.061 requests the board of trustees or managing authority of each state institution of higher education shall adopt the remediation-free status standard, and any related assessments, into the institution's policies.

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University hereby adopts the placement standards and assessments in the Uniform Statewide Standards for Remediation-Free Status.

(January 17, 2014)
A significant policy objective for Ohio is the preparation of our primary and secondary students for the successful pursuit of industry-recognized credentials of value and higher education degrees that lead to meaningful employment here in our great state.

The Ohio Board of Regents and the Ohio Department of Education clearly recognize that the best chance of producing the highly skilled citizenry needed to secure our state's future is to ensure that students are college and career ready by the end of their high school experience. Today we have far too many students graduating from Ohio high schools who are not ready to enter the workplace or be successful in college coursework. In fact, data from the Ohio Board of Regents shows that in both 2010 and 2011, 41 percent of Ohio public high school students entering Ohio's public colleges and universities were required to take remedial non-credit bearing courses.

Remedial coursework is a problem for rural, urban, suburban, high-poverty and low-poverty school districts. Even some of Ohio's highest-rated school districts face double-digit remediation rates for graduates attending Ohio public institutions of higher education.

The Chancellor of the Ohio Board of Regents and the Superintendent of Public Instruction for the Ohio Department of Education are required by law to, "not later than December 31, ... issue a report recommending policies and strategies for reducing the need for academic remediation and developmental courses at state institutions of higher education." (See 3345.061 (H) of the Ohio Revised Code.) Similarly, Ohio's public college and university presidents were charged with establishing "uniform statewide standards in mathematics, science, reading, and writing that each student enrolled in a state institution of higher education must meet to be considered remediation-free. The presidents also shall establish assessments, if they deem necessary, to determine if a student meets the standards adopted under this division. Each institution is responsible for assessing the needs of its enrolled students in the manner adopted by the presidents. The board of trustees or managing authority of each state institution of higher education shall adopt the remediation-free status standard, and any related assessments, into the institution's policies." (See 3345.061 (F) of the Ohio Revised Code).

The remediation-free standards established by the public college and university presidents serve as a clear target for Ohio's educators. We agree that these standards establish policies and strategies for reducing the need for academic remediation and developmental courses at state institutions of higher education and that such standards must be incorporated into the PreK-12 education system to enable students to graduate from high school ready for college work.

Accordingly, and with a sense of statewide agreement and urgency, the Chancellor and Superintendent of Public Instruction hereby adopt and present in accordance with Section 3345.061 (H) of the Ohio Revised Code, the presidents’ report for establishing a remediation-free status as our submission for the reduction of remediation and developmental courses. We
stand ready to assist our education partners in implementation of new learning standards, the next generation of assessments, and increased partnerships between K-12 and higher education.

Jim Petro, Chancellor
Ohio Board of Regents

Michael L. Sawyers, Acting Superintendent of Public Instruction
Ohio Department of Education
UNIFORM STATEWIDE STANDARDS for REMEDIATION-FREE STATUS
Established by the Presidents of Ohio's Public Colleges and Universities
December, 2012

Language in HB 153 (FY12-FY13 operating budget bill):
Section 3345.061 (F) Not later than December 31, 2012, the presidents, or equivalent position, of all state institutions of higher education, or their designees, jointly shall establish uniform statewide standards in mathematics, science, reading, and writing each student enrolled in a state institution of higher education must meet to be considered in remediation-free status. The presidents also shall establish assessments, if they deem necessary, to determine if a student meets the standards adopted under this division. Each institution is responsible for assessing the needs of its enrolled students in the manner adopted by the presidents. The board of trustees or managing authority of each state institution of higher education shall adopt the remediation-free status standards, and any related assessments, into the institution's policies. The chancellor shall assist in coordinating the work of the presidents under this division.

For the purposes of the following standards and assessments, a student deemed remediation free in a subject will be eligible to enroll in a college credit-bearing course in that subject, including dual enrollment and Postsecondary Enrollment Option courses. These remediation-free standards and thresholds are not intended to replace institutional placement policies. Each institution may adopt and implement placement policies to ensure that each student is provided the best opportunity to succeed in his/her course of study. Admitted students who are deemed remediation free are still subject to any pre-requisite and placement testing requirements for specific academic programs. The standards, expectations, and assessment thresholds in this document are recommended for implementation beginning with the Summer 2013 academic term.

### Algebra

#### Equations and Inequalities

A. Algebraically solve linear equations in one variable, including examples with no solution, one solution, and infinitely many solutions.

B. Solve systems of linear equations with two unknowns by graphing, substitution, and addition/elimination; including examples with no solution, one solution, and infinitely many solutions.

C. Solve quadratic equations by graphing, factoring, completing the square, and using the quadratic formula (including equations that have complex solutions).

D. Algebraically solve linear inequalities and represent solutions in multiple ways such as graphically, inequality notation, and interval notation.

E. Algebraically solve absolute value equations in the form $|Ax + B| = C$ and related absolute value inequalities and represent solutions in multiple ways.

F. Algebraically solve equations that include rational expressions or radicals including examples that generate extraneous solutions.

G. Solve for specified variables in literal equations.

H. Solve exponential equations in one variable using logarithms.

#### Operations with Algebraic Objects

A. Perform operations with exponents and radicals, including laws of exponents, with both numerical and algebraic expressions.

B. Add, subtract, multiply and divide rational expressions by hand and identify values where they are undefined. (Limit numerators and denominators to monomial, linear and quadratic expressions).

C. Evaluate and simplify algebraic expressions.

D. Add, subtract, multiply and divide polynomial expressions (limit divisors to monomial and linear expressions).

#### Graphing

A. Graph linear equations and inequalities and quadratic equations in two variables, with and without technology (limit quadratic equations to vertical and horizontal parabolas).

B. Graph common functions (e.g., absolute value, square root, linear, quadratic, rational, exponential, piecewise) with and without technology.

C. Read a graph to interpret solutions to an equation and identify and interpret characteristics such as intercepts, extrema, and rates of change.

D. Graph transformations of functions (limit transformations to vertical and horizontal shifts, reflections, and stretches).

E. Interpret transformations of functions from both a graphical and algebraic perspective.

#### Functions and Applications

F. Define functions; determine whether a relationship between two variables (represented in a variety of ways) represents a function; identify, as appropriate for the context, both the domain and range of a function; and use function notation.

G. Describe how a change in one variable affects the value of a related variable, for example, problems involving direct and inverse variation.

H. Interpret sequences as functions whose domain is a subset of the whole numbers. Solve problems with arithmetic and geometric sequences.

I. Adjust the parameters of function families to model relationships between variables (function families include linear, quadratic, piecewise, absolute value, square root, power and exponential).

J. Formulate equations or functions that model problems in a variety of contexts.

Note: the Ohio College Readiness Advisory Committee also provided additional expectations for students planning to enroll in calculus. These recommendations are beyond the standards for remediation-free status.
### Science – Biology, Chemistry, Computer Science, Engineering, Geology and Physics

#### Learning Skills (for all students)

A. Learn science using a variety of sources including but not limited to:

- Standard college-level science textbooks
- Inquiry-based laboratory experiences that engage students in asking valid scientific questions, and gathering and analyzing information
- Well-reasoned and evidence-based discussions of science principles, concepts and problems with well-prepared peers and faculty
- Well-organized lectures delivered at an appropriate cognitive level for first-year STEM college students by college faculty
- Other appropriate sources of science information in the popular press and in other sources, such as research reports and summaries that are at an appropriate cognitive level for first-year college students.

B. Reliably and accurately assess the student’s learning and take effective action to remediate deficiencies, prior to instructor-administered summative assessments.

C. Persist in learning despite encountering initial difficulty in mastering challenging material and seek and use alternative learning strategies when finding initial strategies are not as effective as desired, so that the student consistently meet learning goals and achieve targeted learning outcomes.

#### Science Content Knowledge and Skills (for non-science majors)

<table>
<thead>
<tr>
<th>Content</th>
<th>Rationale</th>
</tr>
</thead>
<tbody>
<tr>
<td>A. Satisfactorily complete the Ohio graduation requirements for science and mathematics, meeting all of the expectations specified in the New Ohio Learning Standards: K-12 science for each of those courses.</td>
<td>This level of mastery should be accomplished by satisfactory completion of three high school science courses as defined by the syllabi and model curricula of the New Ohio Learning Standards: K-12 Science.</td>
</tr>
<tr>
<td>B. Satisfactorily complete the following high school science courses: biology, physical science, and one advanced science course.</td>
<td>A. Identify questions and concepts that guide scientific investigations.</td>
</tr>
<tr>
<td>C. Consistently demonstrate mastery of the first five Recommendations in “Mathematical Expectations for College Readiness 2011” within science contexts. Demonstrate mastery of these processes, concepts, functions, applications, and operations by creating models of physical realities related to those models.</td>
<td>B. Design and conduct scientific investigations.</td>
</tr>
<tr>
<td>D. Use the models created to reliably and consistently solve problems dealing with the concepts and relationships described in the Syllabus and Model Curriculum of the Ohio Revised Science Standards for the science courses taken in high school. Non-science majors do not need to be able to demonstrate the “Additional Expectations for Calculus.”</td>
<td>C. Use technology and mathematics to improve investigations and communications.</td>
</tr>
</tbody>
</table>

**Note:** The Ohio College Readiness Advisory Committee provided additional recommendations for science content knowledge and science and mathematics skills needed by students majoring in the natural and health sciences, and in engineering. These recommendations have to do with placement, not remediation status.
College Readiness Indicators – assessment thresholds to guarantee “remediation free” status at any public post-secondary institution in Ohio

A student who meets or exceeds the following thresholds will be deemed as remediation free and eligible to enroll in a college credit-bearing course at any of Ohio’s public institution of higher education.

> Until better assessments of science content knowledge are available, institutions should continue to use their own assessments of science content to supplement the other sources of information such as ACT scores, high school grade point average (GPA), and other indicators of college readiness in determining the college readiness in science.

> Assessment exam scores will be valid for two years from the completion of that assessment, after which institutions may require students to repeat an assessment to determine the currency of their college readiness.

> Institutions are not required to place students scoring below the threshold score into remedial courses. Students scoring below the threshold score are subject to institutional placement procedures to gain eligibility to enroll in credit-bearing courses. Such procedures could include but are not be limited to: review of high school GPA, a writing assessment, and a review of previous college work.

> These remediation-free thresholds are not intended to determine eligibility for admission to any college or university. Each institution has its established admission requirements. Admitted students who have achieved or exceeded these scores are guaranteed exemption from institutional placement into non-credit remedial courses.

> These remediation-free standards and thresholds are not intended to replace institutional placement policies. Admitted students who are deemed remediation free are still subject to any pre-requisite and placement testing requirements for specific academic programs. Similarly, placement testing may be required for students who do not achieve the remediation-free threshold, to determine the appropriate initial class – which may be a for-credit class if indicated by the placement examination.

RESOLUTION F04-14

APPROVAL OF POLICY 5.35, EMERGENCY MANAGEMENT

WHEREAS, Shawnee State University is committed to providing a safe and healthy environment to those who work, study, live, and visit the campus; and

WHEREAS, the University has implemented an Emergency Response Plan (ERP) including related safety and security protocols designed to provide a uniform and comprehensive approach for preparedness and the effective response to emergencies; and

WHEREAS, the President recommends adoption of this policy;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University hereby approves Policy 5.35, Emergency Management effective January 17, 2014.

(January 17, 2014)
1.0 POLICY PURPOSE

Shawnee State University is committed to providing a safe and secure environment to those who work, study, live, and visit the campus. In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, 20 USC § 1092(ff), this policy serves to ensure that an Emergency Response Plan (ERP) and relevant additional safety and security protocols are adopted for the campus community.

2.0 SCOPE AND APPLICATION OF EMERGENCY RESPONSE PLAN

2.1 There shall be an ERP, safety procedures, and security protocols that:

2.1.1 Identify an Emergency Response Coordinator (ERC) responsible for implementing the ERP and an Emergency Response Team responsible for executing assigned roles during an emergency appointed by the President.

2.1.2 Describe specific responses to emergencies that address campus and community communication and notification, ensure availability of essential equipment, include written procedures, and provide for ongoing training for safety and security personnel and campus constituents, where appropriate.

2.1.3 Provide for active emergency response planning, training, and exercises necessary to maintain peak efficiency and that describe the roles and responsibilities of departments as well as individuals in order to provide a uniform and comprehensive approach to prepare for, respond to, and reduce the impact of emergencies.

2.2 The preparation for emergencies that must occur as the result of the specialized operation of a single department or classroom will remain the responsibility of the individual who is responsible for that department or the faculty member(s) responsible for the classroom, working in conjunction with the University’s Emergency Response Coordinator and/or the Office of Environmental Health & Safety.
3.0 COMPLIANCE

3.1 All University employees, students, and visitors of property owned, leased or controlled by the University are subject to this policy.

3.2 Persons who violate provisions this policy, refuse to evacuate any building or area, or refuse to follow the directions of emergency personnel during an emergency will be subject to the applicable corrective disciplinary process. In the case of student residents, non-adherence could result in termination of the student housing contract and other sanctions as dictated by the Student Code of Conduct.

4.0 PROCEDURES

4.1 The President shall ensure the development and maintenance of procedures and designate the appropriate University officials to effectively implement this policy.

4.2 Designated University officials charged with such responsibility shall:

4.2.1 Oversee the day-to-day management of the University’s Emergency Response Plan, procedures, and guidelines necessary to assure compliance with this policy for approval by the President or designee.

4.2.2 Ensure the accuracy and currency of procedures, practices, and programs specific to the safety and security of the campus community, to execute measures that ensure compliance including meeting timely reporting requirements with applicable federal, state and local laws, to effectively and professionally enforce these laws and University policies, and to provide regular and specialized training and awareness activities as deemed essential to fulfill their assigned duties.

RESOLUTION F05-14

APPROVAL OF POLICY 4.64Rev
RELOCATION EXPENSE REIMBURSEMENT

WHEREAS, the President has initiated a systematic review of existing institutional policies in order to ensure their accuracy and application to current organizational needs; and

WHEREAS, a review of Policy 4.64Rev, Moving Expense Reimbursement (dated 7/1/08), revealed updates were required to modify for current needs, greater language clarity, and to address technical language revisions due to organizational changes; and

WHEREAS, Shawnee State University must provide for the reasonable reimbursement of relocation expenses in order to be competitive in the recruitment of faculty and administrators nationally and internationally;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University approves Policy 4.64Rev, Relocation Expense Reimbursement effective January 17, 2014.

(January 17, 2014)
1.0 POLICY PURPOSE

Shawnee State University recruits for talented faculty and administrators nationally and internationally. In order to generate a competitive recruitment pool, the reimbursement of relocation expenditures may be provided to individuals. The purpose of this policy is to provide for the consistent reimbursement of relocation expenses incurred by eligible employees that are in accordance with IRS regulations.

2.0 ELIGIBILITY

2.1 Newly hired full-time faculty and administrators from outside the Portsmouth area may be eligible for reimbursement of relocation expenses if accepting a position at the University requires that person to move his/her household to within the Portsmouth area.

2.2 The hiring department will determine and recommend when reimbursement is appropriate or necessary. The prior approval of the appropriate vice president or President must be secured before extending relocation expense reimbursement to a prospective employee under this policy. The reimbursement details must be incorporated in the employment offer letter.

2.3 Any exception to this policy requires the prior approval of the President.

2.4 Employees with employment contracts executed by the Board of Trustees shall not be subject to the provisions of this policy (except for Section 4.0 of the related procedures) as long as relocation arrangements are specified in his/her employment contract. The provisions of this Policy will apply when the employment contract does not expressly provide relocation reimbursement provisions.

3.0 GOVERNING REGULATIONS

Benefits provided by this policy have tax implications to the employees receiving the benefits. Employees should refer to the IRS website (irs.gov) and Publication 521.
“Moving Expenses” and consult a tax professional for advice concerning possible income tax implications. The current information is subject to change by the IRS.

4.0 PROCEDURES

The President will establish procedures that address the parameters for the reimbursement of qualified relocation expenses. Such parameters will include, but not be limited to, the types of expenses that are eligible to be reimbursed, the method to determine the maximum amount to be reimbursed, possible restrictions on the reimbursement and procedures for the University to recoup the reimbursement in certain circumstances.

History: Replaces 4.64Rev. 07/11/08; 4.64Rev. 10/08/99 (Eff. 09/17/90)

Applicable Procedure: 4.64:1 Relocation Expense Reimbursement
1.0 PROCEDURE PURPOSE

This procedure serves to amplify and implement Policy 4.64Rev, Relocation Expense Reimbursement, approved by the Board of Trustees on 1/17/14.

2.0 REIMBURSEMENT OF RELOCATION EXPENSES

2.1 Qualified reimbursable relocation expenses (non-taxable) are expenses that meet “time and distance” tests as outlined by the IRS. If the time and distance tests are not met, all reimbursements are taxable and subject to withholding (non-qualified). Such expenses are expected to be reasonable, prudent, and commensurate for the position being filled, and may include:

2.1.1 Payment of charges for packing, crating, and shipping household goods and personal effects, including cost of packing supplies, insurance on such items as furniture and clothing, truck rental if self-moving, travel and lodging expenses for a single trip from the old residence to the new residence for the employee and family member which may include: actual cost of gas, tolls, and parking, based on original itemized receipts, or the current mileage rate for moving, as set periodically by the IRS; lodging while in transit, air fare (coach only) and related ground transportation.

2.1.2 In certain cases the University will agree to direct pay a commercial moving vendor. The Procurement and Payables Department will communicate guidelines to the employee regarding the requirements for the direct payment, including a clear statement that there is no guarantee of payment in excess of the approved moving estimate. All expenses will be reviewed by the Procurement and Payables department and appropriate expenses will be paid. Non-approved expenses will be the responsibility of the employee.
INFORMATION ONLY

2.2 Non-reimbursable expenses include:

2.2.1 Storage, meals and travel costs exceeding the above limits or that are incurred by laborers, expenses incurred by persons not considered dependents for tax purposes, utility and telephone installation charges, loss of security deposits, real estate expenses, postage costs for realty and mortgage documents, personal communication or entertainment expenses, extraordinary items requiring special handling, bank fees for cashier’s checks, storage charges, including in-transit storage and handling charges, expedited moving charges, transportation of animals and pets, transportation of automobiles, boats or trailers, moving building materials, moving property pertaining to commercial enterprise, moving property which is not the property of the individual’s immediate family, and real estate commissions.

2.3 The approved amount for reimbursement may be expended over a period of one (1) year from the first day of employment.

2.4 Employees who are employed directly by the Board of Trustees may have relocation expense reimbursement provisions incorporated into their employment contract in lieu of the benefits provided by this policy. Unless expressly excluded or modified by terms stipulated in the employment contract, Section 4.0 (REPA) of this policy shall apply.

3.0 LIMITATIONS AND CONTROLS

3.1 The hiring department will determine and recommend up to the maximum amount allowable when reimbursement is appropriate or necessary and must secure the prior approval of the appropriate vice president or president.

3.2 Reimbursement of relocation expenses will be permitted for only one move, at the time of initial employment.

3.3 Eligible expenses will be reimbursed up to, but not exceed, the maximum dollar amount identified on the Controller’s office web site that is in effect for the year of hire or the amount approved by the hiring authority at the time of hire, whichever is less.

3.4 The maximum amount to be reimbursed must be expressed in writing in the offer of employment. This amount may be expended over the period of one (1) full year from the date of hire.

3.5 Prior to reimbursement, original receipts must support expenditures.

3.6 The current fiscal year maximum relocation expense reimbursement amount can be found at: http://www.shawnee.edu/off/controller/perdiem.html

CEH 3-5-14
Secretary, SSU Board of Trustees Date
3.7 The Vice President for Finance and Administration, or designee, is authorized to adjust the maximum dollar amount for each fiscal year by a Consumer Price Index inflation series.

3.8 Any exception involving maximum amounts or covered expenses must be made before the employee accepts the offer of employment by the express written permission of the President.

4.0 RELOCATION EXPENSE REPAYMENT

4.1 The employee must sign and submit the Relocation Expense Repayment Agreement (REPA) in order to receive reimbursement of relocation expenses. The Relocation Expense Repayment Agreement is incorporated by reference as part of the policy.

4.2 The REPA will be in effect for up to two (2) years. If the employee chooses to terminate his or her employment at Shawnee State University, or is terminated for cause, then repayment of funds to Shawnee State University will be based on the number of calendar days employed (i.e. number of continuous days on employed status, not number of days physically present for work) as determined by the chart below:

4.3 If it is found that the employee obtained employment fraudulently (e.g., under falsified credentials) then repayment will be for 100% of relocation costs previously paid by the University regardless of the number of days employed.

4.4 At the University's discretion, the repayment may be paid, in whole or in part, by deduction from amounts otherwise owed by the University to the employee (e.g., final pay). See the Relocation Expense Repayment Agreement text for complete details. The REPA should be completed and returned with the employee's acceptance letter.

RESOLUTION F06-14

APPROVAL OF POLICY 4.91
NAMING OF UNIVERSITY BUILDINGS AND CAMPUS AREAS

WHEREAS, Shawnee State University requires uniformity and consistency in the identification of University owned and/or operated buildings; and

WHEREAS, the process for commemorative naming opportunities are addressed under the auspices of the SSU Development Foundation policies; and

WHEREAS, the President recommends the adoption of an effective method of identifying campus buildings and areas that have not been named for commemorative purposes;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University approves Policy 4.91, Naming of University Buildings and Campus Areas effective January 17, 2014.

(January 17, 2014)

Certified as True and Correct

[Signature] 3-5-14
Secretary, SSU Board of Trustees  Date
1.0 POLICY STATEMENT

This policy provides for the naming of University owned and/or operated buildings and campus areas following an orderly and efficient process in order to provide uniformity and consistency in the identification of these areas by students, staff, and visitors.

2.0 EXCEPTION

The process for the “naming” of University buildings, campus areas, or features as a result of credit for commemorative/naming opportunities are covered under the auspices of the SSU Development Foundation policies (Sections 11.0 and 12.0).

3.0 PROCEDURE

The President will ensure procedures will be established for the naming of University owned and/or operated buildings and campus areas that follow a consistent framework, effectively communicate the approved identification, and provide for revision or discontinuation of such names when required due to a change in the status of the building or campus area.

History: (Eff. 01/17/14)

Applicable Procedure(s): 4.91:1 Naming of University Buildings and Campus Areas
1.0 NAMING OF UNIVERSITY BUILDINGS AND CAMPUS AREAS

1.1 The naming of University buildings and campus areas will be based upon an established process and will not typically be based upon academic or administrative functions that may be housed at the location.

1.2 When appropriate, information describing the function within a building or area may be identified via appropriate signage.

2.0 FRAMEWORK FOR NAMING

2.1 Except for the gifting policies created by the SSU Development Foundation and approved by the Board of Trustees, the naming of University owned and/or operated buildings and campus areas shall rely upon a predetermined list recommended by the President and approved by the Board of Trustees.

2.2 The predetermined list will be based upon a theme that provides for uniformity and to ensure the appropriateness of names for Shawnee State University buildings and campus areas.

2.3 Names for campus areas or features may reflect the specific functions of that area or feature (e.g., courtyard).

2.4 The officially designated identification will be used in all University communications, maps, and course schedules.

3.0 MANAGEMENT OF THE IDENTIFICATION PROCESS

3.1 The Director of Facilities shall:
INFORMATION ONLY

3.1.1 Select an appropriate identification for a specific building, campus area or feature utilizing the Board of Trustees’ approved theme for approval of the President.

3.1.2 Collaborate with the Office of Communications for the effective communication of newly designated building or area identification.

3.1.3 Ensure adequate signage is placed.

3.1.4 Ensure a comprehensive and current list of all buildings, campus areas, and features will be maintained for insurance and reporting purposes.

3.2 Individuals requesting consideration that a University location be formally named in accordance with this procedure may submit a written request to the Director of Facilities who will evaluate the request and determine if naming is warranted and within the pre-approved theme. If appropriate to do so, the recommendation will be forwarded to the President for approval.

4.0 CHANGE OF STATUS

4.1 When a named University facility is sold, demolished, substantially renovated, or rebuilt, the University may continue to use the name, transfer the name to another comparable location, or discontinue the use of the name upon approval of the President.

RESOLUTION F07-14

APPROVAL OF THE RESCISSION OF POLICIES 2.14 AND 4.23, CONVERTING TO PROCEDURES AND ADOPTION OF NEW POLICY 4.92, BUSINESS FUNCTIONS SUPPORTING STUDENT ENROLLMENT

WHEREAS, Shawnee State University is committed to encouraging and supporting its prospective and existing students through efficient and student-friendly business operations that facilitate student enrollment; and

WHEREAS, a review of Policy 2.14, Registration and Payment, and Policy 4.23, Collection of Student Accounts, revealed that these policies were no longer current and required technical corrections; and

WHEREAS, the proposed new Policy 4.92, Business Functions Supporting Student Enrollment, incorporates the topics of the previous policies;

THEREFORE BE IT RESOLVED that the Board of Trustees of Shawnee State University hereby rescinds Policies 2.14 and 4.23, converts them to procedures, and approves Policy 4.92, Business Functions Supporting Student Enrollment effective January 17, 2014.

(January 17, 2014)
1.0 POLICY PURPOSE

The University is committed to enabling prospective and existing students to complete enrollment and related business functions required to remain in good standing with the University in an efficient, streamlined and student-friendly manner. The purpose of this policy is to ensure the establishment of business functions required for student business matters such as, but not limited to: enrollment and registration processes, course and laboratory schedules, deadlines for all required business actions such as the payment of tuition and fees, housing and meal plan rates, etc., payment due-dates for each term, refund schedules for drops and withdrawals, placement of student-account "holds" for non-payment, and guidelines for the collection of outstanding account balances.

2.0 PROCEDURES

The President will ensure the adoption of procedures and guidelines including the delegation of responsibility to University officials for the effective administration of this policy including the communication and distribution of information in a variety of formats.

History: Replaces: 2.14 (Eff. 3/14/08) and 4.23Rev. (Eff. 2/9/07)

Applicable Procedure: 4.92:1 Business Functions
1.0 PROCEDURE PURPOSE
   This procedure provides for the implementation of Policy 4.92, Student Enrollment: Business Functions effective 1/17/14.

2.0 REGISTRATION
   2.1 The University will publish a schedule of classes prior to the beginning of each term. The schedule shall indicate the courses to be offered, the time, day(s) and locations. After registration has been completed, applicable tuition and fees as established by the Board of Trustees will be charged to the student in accordance with the procedures contained herein.

   2.2 Registration periods, add/drop, and withdrawal deadlines will be established by the Registrar and approved by the Provost and publicized using a variety of formats.

3.0 STUDENT PAYMENTS
   3.1 The establishment and publication of deadlines for the payment of fees required of all students each term will be completed by the Bursar after consultation with the Controller and approved by the Vice President for Finance and Administration.

   3.1.1 Failure to meet the fee payment deadline will result in a penalty assessment (when applicable) unless excused by the Bursar.

   3.1.2 Students may be administratively withdrawn for nonpayment.

   3.2 The Bursar may place past-due student accounts on the status of “Bursar’s hold.” Until this status is cleared or satisfactorily addressed with the Office of the Bursar, this status may preclude further registration by the student for courses at the University or the release of student transcripts.
4.0 WITHDRAWALS AND REFUNDS

4.1 Students who wish to withdraw from classes for any reason may receive a refund for tuition, or program/course fees and housing/meals based on the refund schedule developed and published by the Bursar.

4.2 The date of withdrawal to be used in determining eligibility for a refund shall be the date the official, written request is received by the Office of the Registrar or posted to the student account via MySSU website.

4.2.1 Failure to attend class, giving notice to an instructor, or verbal notice to any University office shall not be considered official notice of withdrawal.

5.0 AUDITING OF CLASSES

5.1 Students who choose to take classes for no credit must pay all fees, but will not receive a grade or credit for the course.

5.1.1 Students may elect to take a course for no credit according to dates published by the Office of the Registrar.

5.1.2 Senior citizens must meet registration requirements in order to take non-credit classes with tuition and fees being waived.

6.0 COLLECTION OF STUDENT ACCOUNTS RECEIVABLE

6.1 Student bills will be provided to students registered for classes in advance of the last day to pay fees. The last day to pay fees or to submit a short term loan application (including the initial payment) will be identified on the student's statement of account.

6.2 All students with outstanding receivables will be billed on a routine basis. Such billings shall indicate the past due nature of the balance and consequences for nonpayment.

6.3 Student accounts with open balances and without a documented payment plan established by the end of the academic year may be turned over to the State of Ohio Attorney General for collection. The related collection costs are the responsibility of the student.

6.4 The Controller will ensure the development of parameters for the recording (write off) of student receivables deemed uncollectible.
7.0  REGISTRATION AND PAYMENT APPEALS

The Controller will establish an appeal process in which students may request an official review of their registration/payment history for possible account adjustment. This appeal process will be accessible via the websites of the Offices of Bursar and Registrar.

1.0 POLICY PURPOSE

Shawnee State University desires for its employees and students to experience the educational benefits of traveling, to represent the University at appropriate venues, and to broaden the reach of the University community to other regions of the nation and the world. Further, Shawnee State University is committed to the safety of its faculty, staff, students and visitors while traveling for any University-sponsored activity. The purpose of this policy is to establish and manage reasonable rules that govern the travel and assures the safety of all travelers for University-sponsored activities.

2.0 AUTHORITY FOR TRAVEL

All travel (same-day and overnight) in-country and international must be authorized and approved in advance by the appropriate administrative supervisor. Such approval indicates that the employee is authorized to travel on official university business and that related travel expenses will be covered per this policy.

3.0 RULES REQUIRED FOR DRIVING

In addition to obtaining prior approval for the travel, all drivers to University-sponsored activities must have in their possession a valid driver’s license at all times, proof of insurance as required by law, and a current (within the prior 12 month period) motor vehicle record check that demonstrates the proposed driver(s) and the trip comply with all standards established in the procedures found at: {insert hyperlink to: Driving Rules for University Sponsored Activities}

4.0 BUSINESS RULES REQUIRED FOR TRAVELING

All travelers to University-sponsored activities must also comply with business rules including but not limited to: reimbursement of travel expenses, travel by privately-owned vehicles, travel by common carrier or rental vehicles, lodging for overnight travel and meal expenses, conference registration fees, and expenses associated with interviewing applicants as established by University business procedures found at: {HYPERLINK: Travel Authority: Business
5.0 OTHER PROCEDURES

The President will ensure that the appropriate procedures are developed and maintained as well as the delegation of authority to University officials necessary to effectively manage matters involving University-sponsored travel.

History: Replaces 4.10Rev. 07/11/08; 4.10Rev. 11/01/05; 4.10Rev. 06/10/94 (Eff. 12/08/89)

Applicable Procedures: 4.10:1 Travel Authority: Business Rules
4.10:2 Driving Rules for University Sponsored Activities
1.0 AUTHORITY FOR TRAVEL

1.1 All travel (same-day and overnight) in-country and international must be authorized and approved in advance by the appropriate administrative supervisor responsible. Such approval indicates that the employee is authorized to travel on official university business and that related travel expenses will be covered per this policy.

1.2 For overnight travel, an Authorization for Official Overnight Travel form at http://www.shawnee.edu/offices/controller/media/overnighttravel-2.pdf must be completed, approved by the administrative supervisor, and submitted to the Finance Office prior to the expenditure of any University funds for travel expenses.

1.3 A supervisor’s signature on the Travel Expense Report found at http://www.shawnee.edu/offices/controller/travel.aspx must be submitted after the travel has been completed, indicates approval and the propriety of all expenses and allowances listed as necessary to the performance of travel on official University business. Persons traveling on University business are expected to incur the lowest practical and reasonable expense while completing the travel process in an efficient and timely manner.

2.0 RULES REQUIRED FOR DRIVING

2.1 Rules addressing driving for University-sponsored travel are found at: {hyperlink: Driving Rules for University Sponsored Activities}.

3.0 REIMBURSEMENT OF TRAVEL EXPENSES

3.1 To ensure the proper handling of deposits and appropriateness of expenses, prior to approving a University-sponsored trip, the supervising official should contact the Controller’s office to review the purpose of the trip, the source(s) of funding, and the nature of the anticipated expenditures.
3.2 For reimbursement purposes, headquarters is Shawnee State University, 
940 Second Street, Portsmouth, OH.

3.3 Travel Expenses – Use of purchasing card (PCard)

3.3.1 The preferred method of payment for all travel expenses, EXCLUDING 
meals and fuel for personal vehicles, is the Shawnee State University 
purchasing card (PCard). Personal credit cards are discouraged as a 
method of payment for any travel expenses allowed on the PCard.

3.3.2 Requests for reimbursement of travel expenses not eligible for PCard use 
shall be made on the Travel Expense Report, at the conclusion of travel. 
For procedures, forms and details on authorized travel expenses refer to 
the procurement and payables department web site at: 
http://www.shawnee.edu/offices/procurement-services/

4.0 TRAVEL BY PRIVATELY-OWNED VEHICLES

4.1 Travel by a privately-owned vehicle is authorized only if the owner is insured 
under a policy of liability insurance as required by Ohio Revised Code Section 
4509.51 and compliant with Driving Rules for University Sponsored Activities 
{hyperlink}

4.2 Reimbursement is authorized at the Internal Revenue Service personal use 
automobile rate per mile. Current rates can be found at: 
http://www.shawnee.edu/off/bus/resources.html

4.3 For safety and liability reasons, motorcycles are not authorized to be used and will 
not be reimbursed.

4.4 Travel Expense Reports shall indicate all intermediate destinations between the 
commencement and termination of travel and vicinity mileage after arrival at 
destination. Reimbursement shall be made to only one of two or more employees 
traveling in the same privately-owned vehicle. The names of all personnel 
traveling in the same vehicle shall be listed on the Authorization for Official 
Overnight Travel form and the Travel Expense Report.

4.5 Allowable Mileage 
Allowable mileage is the mileage from either the employee's headquarters or 
home address (whichever is less) as the starting location using an approved 
online mapping tool. Any additional mileage must be explained on the Travel 
Expense Report.
4.6 When using a personal vehicle on University business, the owner of the vehicle must carry automobile liability insurance. The owner’s automobile liability insurance coverage is the primary coverage.

4.7 There is no physical damage coverage through the University on a personal vehicle. The employee is responsible for the deductible portion of the personal collision coverage and is responsible for any increased personal automobile insurance premiums as a result of an accident.

4.8 The owner’s automobile liability insurance card received from his/her insurance agent needs to be in the driver’s possession when using personal vehicles for University business.

5.0 TRAVEL BY COMMON CARRIER

5.1 Travel by common carrier (e.g., commercial airline) is authorized at the lowest available rate. Authorized travel expenses include, tickets purchased directly from the carrier (or agency if at a lower total rate), luggage charges (up to two bags), and any supplemental fees assessed to all passengers by the carrier. Whenever possible transportation by common carrier should be charged to the PCard and should not be included on the Travel Expense Report.

5.2 Employees not using a PCard are encouraged to order their tickets through the University’s purchase order process. In that case, payment will be made directly by the University to the travel agent, and the expense will not be listed on the Travel Expense Report. Travelers who purchase tickets with a personal credit card will be reimbursed after the date(s) the trip was to have been taken or was taken. Tickets which are unused, but for which the traveler has been reimbursed, may only be later used for travel on official University business. It is expected the traveler will reschedule unused tickets for approved University travel within the time allowed by the carrier.

6.0 RENTAL VEHICLES

Employees not using the PCard will be reimbursed for automobile rental when traveling on official business provided such mode of transportation is advantageous to the University over other means of transportation. Rental must have prior approval of the appropriate administrative supervisor and compliant with Driving Rules for University Sponsored Vehicles {hyperlink}

7.0 LODGING EXPENSES REQUIRING OVERNIGHT LODGING
7.1 Lodging

7.1.1 Reimbursement for lodging for those employees not using a PCard will be for reasonable rates as established by the University. If the rates exceed the established per-night ceiling, justification for the employee staying at this location must be provided and approved by the supervisor. Employees must ask for the "governmental rate" when reserving lodging.

7.1.2 The per-night ceiling rate is subject to adjustment each fiscal year with the CPI change as a basis for this adjustment.

7.1.3 A per-night lodging rate will be established for "high cost cities" effective each fiscal year. International travel will be reimbursed at the applicable "high cost city" per-night lodging rate.

7.1.4 Current lodging rates can be found at: www.shawnee.edu/off/resources.html

7.1.5 Non-commercial lodging, such as in a private home, will be reimbursed at the rate of $12 per night.

8.0 MEALS WHILE IN TRAVEL

8.1 Breakfast is reimbursable if the employee is in travel status beginning at 6 a.m. or earlier and continuing through 11 a.m.

8.2 Lunch is reimbursable if the employee is in travel status beginning at 11 a.m. or earlier and continuing through 2 p.m.

8.3 Dinner is reimbursable if the employee is in travel status beginning at 2 p.m. and returns home after 7 p.m.

8.4 If an employee is in travel status beginning at 6 a.m. or earlier and continuing overnight, s/he is entitled to the daily per diem rate.

8.4.1 Each meal and its per-diem amount must be listed on the Travel Expense Report.

8.4.2 Expenses for meals are prohibited from being paid via a University-provided purchasing card (PCard).

8.4.3 Current fiscal-year meal rates are posted at the Finance and Administration website at http://www.shawnee.edu/off/bus/resources.html. Per-diem meal
INFORMATION ONLY

rates are subject to adjustments effective the beginning of each fiscal year using CPI change as a basis for rate adjustments.

8.4.4 Reimbursement for “same-day” meal expenditures are subject to taxation as required under applicable IRS rules.

9.0 CONFERENCE REGISTRATION FEES

9.1 For employees not using the PCard for conference registration, registration fees may be paid directly by the University if verification of the fee is provided by the employee. The Request for Pay form should be submitted to the Purchasing Department, along with a copy of the registration form for fee verification.

9.2 If registration fees are paid by the employee and reimbursement requested, the registration fee and other expenses under this section must be verified by receipt, conference brochure identifying applicable cost, and/or other documentation with similar validity.

9.3 Reimbursement is authorized for reasonable meals and lodging expenses if they are an integral part of the conference. Reimbursement of any expenses under section 8.0 of this policy must be verified by receipt, conference brochure identifying applicable cost and/or other documentation with similar validity.

10.0 MISCELLANEOUS TRAVEL EXPENSES

10.1 For employees not utilizing the PCard for approved miscellaneous travel expenses, reimbursement may be requested for parking charges, highway tolls, and other reasonably incurred travel expenses directly related to authorized travel.

10.2 Other out-of-pocket expenses, such as road services and towing and miscellaneous gratuities above $5.00/day (i.e., baggage handlers, taxi drivers), will not be reimbursed. Miscellaneous travel expenses must be listed separately on the Travel Expense Report.

10.3 Miscellaneous expenses required for official University business, such as photocopying charges, storage of baggage, telephone calls or internet fees, rental of equipment, or temporary meeting or office facilities, may be reimbursed to those employees not utilizing a PCard. However, rental of equipment, meeting, or office facilities must be approved by the administrative supervisor prior to agreements being consummated for such rentals.

10.4 Expenses incurred for alcoholic beverages are not reimbursable.

11.0 CLAIMS FOR REIMBURSEMENT
11.1 Reimbursement claims for transportation, lodging, meals, and incidentals must be itemized on the Travel Expense Report. The lodging and incidental claims must be accompanied by original itemized receipts. Credit card slips are not acceptable.

11.2 Miscellaneous expenses must be itemized on the Travel Expense Report. Original itemized receipts shall be submitted for all miscellaneous expenditures in excess of five dollars ($5.00). Personal credit card slips are not acceptable.

11.3 Limitations on Reimbursement of Expenses

12.0 EXPENSES ASSOCIATED WITH INTERVIEWING APPLICANTS

12.1 When not utilizing the PCard, reimbursement may be requested for expenses for transportation by common carrier and for lodging expenses associated with interviewing applicants for approved University position openings. The following travel expenses associated with interviewing applicants for approved University position openings will also be reimbursed:

12.1.1 Reasonable meal and lodging costs

12.1.2 Transportation costs in accordance with this policy

12.2 Costs associated with a spouse to accompany the applicant will not be reimbursed.

12.3 Costs incurred by Shawnee State University employees will be reimbursed per policy 4.13 "Entertainment Policy."

1.0 PURPOSE

1.1 Shawnee State University is committed to the safety of faculty, staff, students and visitors. The purpose of this document is to communicate procedures regarding driving for Shawnee State University sponsored activities. Drivers may include employees, students, or volunteers.

1.2 Drivers are to have in their possession a valid driver’s license at all times and proof of insurance as required by applicable law.

2.0 MOTOR VEHICLE RECORD CHECKS

2.1 A motor vehicle record (MVR) will be obtained every 12 months for:

2.1.1 Drivers of a university vehicle
2.1.2 Drivers transporting students on university business/activity
2.1.3 Drivers using a university-sponsored rental vehicle (e.g. van)
2.1.4 Drivers whose positions require driving as an essential/integral part of assigned responsibilities

2.2 MVRs will be evaluated against the maximum driving standards outlined below.

2.3 MVRs will be retained in a separate file.

2.4 MVRs will be discarded after a period of 36 months.

3.0 POSITIONS REQUIRING DRIVING

3.1 An MVR will be obtained and reviewed prior to employment of an individual seeking a position that requires driving students or whose position includes driving as an essential component. Applicants for such positions who meet or exceed the listed driving standards within the most recent 36-month period will be ineligible to be hired. A new
4.0 STANDARDS AND PENALTIES

4.1 Any driver (as defined herein) whose current-year MVR meets or exceeds the following maximum driving criteria standards during a 36-month period will have University driving privileges temporarily revoked until the driving record is acceptable:

4.1.1 Driving while license is suspended or revoked
4.1.2 Knowingly leaving the scene of an accident
4.1.3 Driving while intoxicated or impaired by liquor, drugs, chemicals, or organic solvents, etc.
4.1.4 Reckless driving
4.1.5 Felony with Vehicle
4.1.6 Involuntary Manslaughter
4.1.7 Speeding (3 or more in 36 month period)
4.1.8 Any other moving violations (3 or more in 36 month period)

4.2 In instances of meeting or exceeding the speeding and/or other moving violations standards, the Director of Human Resources has the discretion to permit the completion of an acceptable driver improvement program as an alternative to the temporary revocation of driving privileges.

4.3 Temporary revocation of driving privileges will not cause the loss of employment. If driving is an essential function of a particular position, it will be stated in writing as a requirement on the official job description, job analysis questionnaire, internal posting and/or external announcement. Anyone who applies for a position with driving as an essential function will be given notice of this requirement prior to acceptance of the position.

4.4 During the period of temporary revocation (a minimum of 6-months or until the MVR is in compliance with the established standards), any additional citations received by the driver could lead to the permanent revocation of university driving privileges. Meeting or exceeding the maximum criteria following two temporary revocations may result in the permanent revocation of university driving privileges.

4.4.1 The decision to permanently revoke driving privileges will take into consideration the severity and frequency of the violations and will be made by the Director of Human
4.5 Refusal to release information necessary to conduct a motor vehicle record check when requested will result in loss of University driving privileges.

4.6 Employees may appeal an action resulting from an MVR check via the applicable labor agreement or concern resolution policy.

4.7 These rules are in addition to any applicable federal, state or local mandates regarding the attainment and ongoing use of Commercial Driving License (CDL).

5.0 DRIVING RULES FOR ACADEMIC FIELD TRIPS/STUDENT ACTIVITIES/ATHLETICS

5.1 Students who are 21 years or older, with a valid driver’s license, and acceptable driving record as demonstrated via an MVR check as described above, may be pre-approved as a driver by the appropriate Dean or second-level administrative manager (Director, Associate Director, etc.).

5.2 Academic field trips are trips which are part of an academic course offered by the University for credit and where the participants are accompanied by the faculty member assigned to teach that course.

5.3 Student activities include trips associated with University sponsored student activities including athletic events and where the participants are accompanied by an approved administrative coach or employee.

5.4 Commercial buses will be the normal mode of transportation for trips over eight hours traveling time or 400 miles round trip. Pre-approval is required by the supervising vice president or president to use vans in lieu of buses. If vans are approved for the trip, at least two drivers will be designated per van for trips longer than 400 road miles one way.

5.5 In no event will the use of 15-passenger vans and other vehicles that may be prohibited be permitted to be used for University-sponsored travel.

5.6 Except in emergency situations, only a designated driver with a University-approved MVR may operate a van or serve as a driver for University-sponsored travel. No University driver should have a
