Further, the President is directed to establish/implement measures to ensure that the plan is updated and reviewed by the Board of Trustees at least every two years.

(May 2, 2014)
In compliance with House Bill 59, Shawnee State University submits to the Ohio Board of Regents the following plan for college completion. This plan is consistent with Shawnee State University's mission and strategic priorities and updates the Chancellor's Plan for Shawnee State University to improve course completion, retention, and graduation rates in 2011.
BUILDING UPON THE CHANCELLOR’S PLAN, THE SHAWNEE STATE UNIVERSITY COMPLETION PLAN WILL ACHIEVE THE FOLLOWING THREE GOALS:

• Goal I (Course Completion & Graduation) Increase persistence to completion and increase degrees conferred

• Goal II (Access) Further SSU’s Service to the Appalachian Region through Enhanced Relationships with Regional School Districts

• Goal III (Degrees and Post-Graduation Employment) Further SSU’s Service to the Appalachian Region through Enhanced Relationships with Area Employers

GOAL I (COURSE COMPLETION & GRADUATION) INCREASE PERSISTENCE TO COMPLETION AND INCREASE DEGREES CONFERRED

Beginning with first-time college students entering in the Fall of 2014, Shawnee State University will increase the number of students earning associate and/or baccalaureate degrees by 1-3% for each class entering in the successive 9-year period. Successful course completion is the key metric to successful progression toward a degree.

Plan to Meet Goals I & II of the Chancellor’s Plan: (Course Completion & Graduation) Increase Persistence to completion and increase degrees conferred.

1.1 Require enrollment in the University’s Success Curriculum for all underprepared students (based on placement scores).

• Success Curriculum includes enrollment in: a First Year Experience Course; a Major/Career Exploration course and appropriate developmental English and mathematics courses during their first semester.

• First Year seminars designed to assist all students in topics supporting college success (i.e., time management, financial literacy, note taking skills, life outside the classroom).

• Associate degree pathway available to students as an incentive to complete the program.

1.2 Accelerate “speed to graduation” by establishing 15 credit hours as the default full-time load for all college-ready students.

• SSU will provide communication to students, parents and advisors on the importance for students to enroll for a full load of 15 semester hours.

• Beginning in summer of 2014, orientation sessions will provide all entering students information on the need to register for full load of 15 semester hours in order to successfully graduate in two or four years.

• Beginning summer 2014, orientation advisors will work to establish 15-hour default schedule plans for incoming full-time students identified as underprepared or undecided.

1.3 Complete systemic program review of all academic and appropriate non-academic programming focusing on the improvement of course and degree completion.

• Results of academic and non-academic program reviews will be integrated into a comprehensive planning process.

• A robust, transfer-friendly and flexible GEP focusing on 21st Century workforce needs and skills will be incorporated into each degree program by AY 2015-2016.

• Milestone courses for each program will be identified and offered on a regular schedule.
1.4 Develop flexible degree options.
- SSU will develop and offer a Bachelor of Arts in General Studies.
- SSU will develop and offer a Bachelor of Science in Health Sciences.

1.5 Participate in the Complete College America default guided pathways system model (GPS).
- Six STEM programs will pilot standardized academic pathways to support timely graduation by Fall of 2014.
- The GPS model will be expanded to an additional 12 programs.

1.6 Enhance academic advising through the hiring of professional advisors for the College of Professional Studies and the College of Arts and Sciences
- Full-time academic advisors will focus upon intrusive/proactive advising.

1.7 Research and implement resources to identify factors, practices and programs of greatest non-graduation risk for students.
- Focus will be upon tools that combine technology, research, and predictive analytics to help positively transform outcomes for at-risk and off-path students.
- The analytical tool needs to focus on specific academic factors – such as courses, credit accumulations, and grades – that are most correlated with success and failure.
- The supportive data-driven tool will support advising efforts and enable proactive, informed interventions with at-risk and off-path students.
- Resources will deliver personalized insight in the majors and courses best suited to each student’s unique abilities.

GOAL II (ACCESS) FURTHER SSU’S SERVICE TO THE APPALACHIAN REGION THROUGH ENHANCED RELATIONSHIPS WITH REGIONAL SCHOOL DISTRICTS

Shawnee State University continues to draw the majority of its student body from the Appalachian Southern Ohio region. SSU will increase its presence on regional school district campuses and provide increased programming to encourage improved college readiness of area high school graduates.

Plan to Meet Goal III: (Degrees and Post-Graduation Employment) Further SSU’s Service to the Appalachian Region through Enhanced Relationships with Area Employers.

3.1 Improve data collection on alumni employment.

- Conduct surveys of alumni and recently graduated seniors focusing on current employment and educational attainment. The survey report, with data analysis, will be shared with the campus community and posted to a campus intranet website.

3.2 Designate a university point of contact for practical, applied instructional opportunities for students.

- Work with industry partners to increase the number of internship opportunities.
- Enhance current mentoring programs to encourage early major/career selection and internship experiences.
- Identify funds for commuting and living expenses to enable students to pursue internship opportunities outside the local community.
