A. RECOGNITION

The University recognizes Communications Workers of America (CWA) as the sole and exclusive bargaining representative for those employees included in the bargaining unit as defined and certified by the State Employment Relations Board, Case No: 87-REP-10-0248 on May 5, 1988.

3. The designated steward shall investigate and present grievances to the University. When the designated steward is absent from campus during his/her regularly scheduled shift, it is understood that the Local Union Official may assume the responsibilities of the designated steward.
4. The privilege of stewards leaving their work is subject to the understanding that the time will be devoted to the prompt and proper handling of grievances and the privilege will not be abused.
5. Stewards and the Local Union Official will perform their regularly assigned work at all times except when necessary to leave their work to handle grievances as provided herein and in accordance with Article 6, Grievance Procedure.
6. Before leaving his/her work assignment, a steward and the Local Union Official must have approval of the immediate supervisor and the supervisor of the employee whose grievance is being investigated.

ARTICLE 8

**PERSONNEL FILES/PERFORMANCE EVALUATIONS/JOB CLASSIFICATIONS
MEAL AND REST PERIODS/UNIFORMS AND TOOLS/SAFETY/FEES
WORK RULE DISTRIBUTION**

A. PERSONNEL FILES

An employee may review his/her personnel file in Human Resources at any reasonable time during normal working hours, by appointment. The employee may request a copy of material in his/her own personnel file at no charge. The University may charge a reasonable fee for additional copies.

B. PERFORMANCE EVALUATIONS

1. Periodic performance evaluations will be completed by the University and maintained in the official personnel file for employees covered by this Agreement. These files may be electronic.
2. A copy of the completed performance evaluation form will be furnished to and discussed with the employee. The employee will then acknowledge the evaluation. Such acknowledgement will not indicate concurrence with the evaluation but that the evaluation was actually reviewed with the employee.
3. Following a discussion with his/her supervisor concerning the performance evaluation, the employee will be granted five (5) working days in which to prepare a statement which he/she may have added to the evaluation form in the acknowledgement section of the performance management process.
4. While the actual results of a performance evaluation are not considered grievable, it is recognized that an employee may refer to such evaluations when presenting grievances on matters concerning the terms and conditions of employment as defined in this Agreement.

C. JOB CLASSIFICATIONS

1. The University is solely responsible for the development of position specifications, descriptions, job content, determination of promotional demonstrations or tests and

assignment of appropriate values to such demonstrations or tests, and the classification and reclassification of bargaining unit members as provided under this Article.

2. When the University creates a new classification or reclassifies an existing position, the Local Union Official (and bargaining unit employee where applicable) will be notified in writing of the new classification title, pay grade, and position description. Pay treatment, due to reclassification, is outlined in Article 13, Pay Plan/Wages of this Agreement.
3. Job Classifications/Evaluation Process: job evaluation is a formal process for determining the relative value of jobs based on job content and requirements. Any of the following may initiate a job evaluation: (a) the Department of Human Resources (DHR); (b) the supervisor, department head or VP of a Division; or (c) the employee. An employee in a particular position (incumbent) may initiate a Position Information Questionnaire (PIQ) no later than January 31st. The PIQ must be provided to the Director of DHR (or designee) and the pertinent supervisor. The Director of DHR (or designee) will obtain appropriate authorizations and examine the PIQ to determine whether a job-evaluation is appropriate. Jobs will only be re-evaluated if a position has not been evaluated in the past five (5) years, or there has been a “significant” change in the position. The incumbent and/or supervisor must clearly identify these changes in the PIQ and demonstrate that: a) the University added or intends to add significant new responsibilities of a higher level to an existing position; or, b) the University removed or intends to remove significant duties from an existing position. For purposes of this process “significant” is defined as a change affecting at least 40% of the position’s duties requiring greater or lesser skills, knowledge, and experience. The Director of DHR (or designee) will communicate the evaluation results to the supervisor, the appropriate management levels, and the incumbent employee within sixty (60) work days of receiving the PIQ, unless the CWA and the University mutually agree to extend this period. Resulting pay adjustments, if applicable, will be processed the next full pay period, after the decision is made, and retroactive to January 31st of the year submitted.
4. Job Evaluation Appeal Process: if the incumbent employee is not satisfied with the evaluation results, the employee may request an on-site interview with the Director of DHR (or designee) to discuss and further clarify the job duties, or the employee may choose to appeal the classification decision. If an employee chooses to appeal the classification decision, they must notify the Director of DHR within ten (10) work days after receiving the evaluation results.

A Job Analysis Review Board (JARB) shall be convened within fifteen (15) days of DHR receiving notice of an appeal. The JARB will consist of two (2) representatives from the CWA, two (2) administrators and one (1) representative from DHR. The JARB will be chaired by the DHR representative. Employees receiving waivers will show proof of alternative coverage. Such payment is subject to normal income tax withholdings and will become effective the month following receipt of the notice.

C. INTENT TO CONTINUE

It is the intent of the University to continue to provide group health care benefits to its employees under the terms of this Agreement. The University will make every effort to continue to provide a similar level of group health benefits. However, the University may implement cost containment options or select other available alternatives in order to avoid excessive increases in the cost of such benefits or that may be required to comply with national health care or other related legislation. The University agrees to notify the Union if this type of action is required.

D. INSURANCE COMMITTEE

It is understood that the University Insurance Committee will continue to function for the purpose of evaluating health program options and alternatives and making recommendations to the University's President and Board of Trustees regarding such matters.

E. GROUP LIFE

The University will provide group life insurance coverage to full-time bargaining unit employees in the amount of 2.5 times the employee's base wage rate subject to the Group Life Plan maximums and guaranteed issue limitations, including a reduced benefit scale at age 65. The employee is responsible for payment of income taxes for life insurance coverage in excess of \$50,000, as required by the internal revenue code.

F. FLEXIBLE SPENDING ACCOUNT (FSA)

Bargaining unit employees may participate in the University's Flexible Spending Program (*SSUFlex*) as adopted by the Board of Trustees in Resolution F33-02. The program permits participants to set up a payroll deduction for reimbursement of certain health care expenses

and/or dependent care expenses on a pre-tax basis in accordance with the rules and regulations under IRC Section 125.

Bargaining unit members enrolled in the HDHP may participate in a limited Flexible Spending Program (FSA) which permits participants to set up a payroll deduction for reimbursement of eligible dental and vision expenses on a pre-tax basis in accordance with the rules and regulations under Internal Revenue Code Section 125.

G. UNIVERSITY HEALTH CLINIC

Employees may utilize the University's Health Clinic as needed for the payment of \$20/visit. If the University changes the rate for use of the Health Clinic for other groups, the bargaining unit member shall pay the same amount. Other charges may be required depending upon the services provided.

H. UNIVERSITY NATATORIUM AND ATHLETIC CENTER

All employees and immediate family members (children must meet facility age requirements) may use the University Natatorium and the Athletic Center facilities without charge. If the University institutes an access fee for students and other employee groups, the bargaining unit members would pay the same fee for use of these facilities.

I. CHILDREN'S LEARNING CENTER

Employees with eligible dependent children will receive the same discount to tuition as is provided to other employees.

ARTICLE 16

LEAVES OF ABSENCE

A. ACTIVE AND INACTIVE STATUS

If an employee is on a paid leave of absence, he/she is considered to be on active pay status and therefore will continue to receive benefits as provided under Article 15, Group Insurance, of this Agreement. Employees on Family Medical Leave (FML) will also be entitled to continue to receive benefits as required by law. An employee who is on an unpaid leave of absence, other than FML, is not on active pay status and therefore not eligible for the benefits included in this Agreement except where expressly stated in this Agreement. An employee on unpaid leave of absence, and not eligible for benefits, may elect to continue group health care benefits by paying the appropriate premiums and related costs for such elected coverage as provided under COBRA legislation.

B. SICK LEAVE

1. A full-time employee shall accrue 120 hours of sick leave annually. The accrued sick leave is strictly proportionate to the regular hours paid in each pay period. Sick leave accrues for all time in active pay status, including vacation, sick leave, and comp time,

but not including time on unpaid leave of absence or layoff (except for leave while on union business as provided in this Article, Section (F) (6)). Probationary employees may use accrued sick leave during the new-hire probationary period. Upon hire, the bargaining unit member will receive one hundred twenty (120) hours of sick leave credited to his/her leave account. Bargaining members hired between July 1, 2016 and June 2017 will receive additional sick leave accruals to bring them up to 120 hours. Biweekly accruals will restart on the member's anniversary date.

- a. If the full-time employee elects to do so and informs the Human Resource Department within 90 days of his/her employment date, he/she may elect to transfer any unused and unpaid sick leave balance above 120 hours from a state of Ohio agency and/or public institution of higher education to their Shawnee State University sick leave account. This amount will be in addition to the University credited amount. For example, if the employee had 620 hours of unused and unpaid sick leave from a prior state of Ohio employer, then 500 hours could be transferred to Shawnee State University.
2. A part-time employee shall be credited with a pro-rated amount of sick leave based on a ratio of actual hours worked to 2080 hours per year.
3. Sick leave shall be charged in minimum units of one-half (1/2) hour. Employees are charged for sick leave (including FML-qualifying absences) for days upon which they would otherwise have been scheduled to work. Sick leave payment will not exceed the normal scheduled work day or work week earnings.
4. Employees may use accumulated sick leave upon approval of the supervisor for:
 - a. Illness or injury of the employee or a member of the employee's immediate family. A doctor's statement attesting to illness of the employee or the member of the immediate family may be required as specified in Section (B) (9) of this Article below.
 - b. Death of a member of the employee's immediate family as defined in Section (B) (5) of this Article.
 - c. Medical, dental, or optical examination or treatment of the employee or a member of the immediate family.
 - d. When, through exposure to a contagious disease, either the health of the employee would be jeopardized or the employee's presence on the job would jeopardize the health of others.
 - e. Adoption, Pregnancy and/or childbirth and related conditions as pursuant to this Article, Section D, Family Leave.
5. The definition of immediate family for purposes of this Article includes: mother, father, brother, sister, child, spouse, grandparent, grandchild, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, legal guardian, or other person who stands in place of a parent.
6. An employee must comply with the submission of forms which will document the reason for the request to take sick leave time. Such request forms must be completed in full and submitted to the supervisor as soon as possible but in no event later than the day the employee returns to work.

7. Sick leave granted by reason of death in the immediate family shall not exceed five (5) working days except as described below. Any days beyond five (5) must receive prior approval from the employee's supervisor. The University will allow an employee three (3) days of sick leave credit for this purpose for mother, father, brother, sister, child, spouse, grandparent, grandchild, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, aunt, uncle, niece, nephew, legal guardian, or other person who stands in place of a parent if unused sick leave time is not available to the employee. Such credit must be recovered before any other sick leave will be granted.
8. The employee must comply with the report-in requirements as specified in Article 18, Report-In.
9. If an employee is expected to be off more than five (5) consecutive work days, a signed or official doctor's statement must be submitted in advance to the supervisor or Human Resources. If an employee does not have advance warning, the doctor's statement must be provided to the supervisor or Human Resources as soon as practicable after the employee knows he/she will be off more than five (5) consecutive days and in no event any later than the date the employee returns to work (unless more time is granted by the Director of Human Resources or designee).

In situations involving less than five (5) consecutive work days, and there are habitual absences, a doctor's statement may be required upon the request of the supervisor or Human Resources.

10. The University may consider several different factors in determining excessive absenteeism, including but not limited to the following:
 - a. The overall attendance record of the bargaining unit employee. The use of approved vacation time or comp time will not be considered when determining excessive absenteeism.
 - b. Patterns of absence in conjunction with certain days off, or particular work assignments or other identifiable patterns or "unexcused" absences. It is acknowledged that any discipline associated with absenteeism shall be in compliance with Article 19, Discipline.

All doctors' statements shall be in the form of a signed or official statement from the attending physician, stating the general nature of the illness, date of medical treatment, and the conditions under which the employee is released to return to work or a statement from the attending physician verifying the illness or injury of the employee's immediate family. The failure to submit doctor's statements, or the failure to submit proper leave forms to Human Resources, may result in delay of payment for the time missed.

11. Employees failing to comply with sick leave rules and regulations will not receive pay for the sick leave requested. The disapproval of sick leave for any day because the bargaining unit employee failed to report to work and failed to call in (i.e. "no call and no show" see Article 18, B) will result in no payment for the day. The absence will be considered "unexcused" and the employee will be subject to disciplinary action. If the employee provides sufficient evidence of a hardship which prevented compliance with sick leave rules and regulations, including call in, the University may approve the sick leave despite the noncompliance.

12. Application for sick leave with intent to defraud will be considered a disciplinary infraction and shall be handled in accordance with Article 19, Discipline, whether or not the sick leave has been approved, disapproved, paid, or unpaid.
13. If an employee requires additional leave time for personal illness beyond the time covered by earned sick leave, the employee may request a disability leave as outlined in this Article (C).
14. An employee may carry over unused sick leave from year to year without limit. An employee will not be paid for unused sick leave upon termination of employment except as provided in paragraph 14 of this Section.
15. Upon retirement from active service with Shawnee State University after ten (10) or more years, an employee may elect to be paid one-quarter (1/4) of the unused sick leave credit which has accumulated. Such payment will be based on the rate of pay at the time of retirement. Upon acceptance of such payment, all sick leave credit accumulated up to that point will be eliminated. Such payment will be made only once to an employee. That is, an employee who returns to University service after retiring may accrue and use sick leave as before, but may not convert the unused sick leave at the time of a second retirement. The maximum payment allowed under this Article will be one-quarter (1/4) of 160 days. Sick leave conversion does not apply to any termination or separation other than retirement.

C. DISABILITY LEAVE

1. An employee who suffers an injury or illness which prevents the employee from working may receive, upon request, a disability leave. In order to be paid leave, the employee may opt to use earned but unused sick time, vacation, or comp time. The total amount of time on such leave, paid or unpaid, for the same injury or illness shall not exceed fifty-eight (58) calendar weeks, unless an extension of such leave is mutually acceptable to the University and the employee. The fifty-eight (58) weeks shall be reduced by FML used for the same injury or illness.
2. A request for disability leave must be made in writing as early as possible and must include a statement from the attending physician stating the general nature of the injury/illness and projected return date. Prior to returning to work, the employee must provide the University with the attending physician's release attesting to his/her ability to perform the essential job duties. The University may request an independent examination as provided in this Article (H).
3. An employee will not be entitled to compensation both under O.R.C. Chapter 4123 (Worker's Compensation) and University-paid leave for such disability leave. The University will adhere to Worker's Compensation regulations when applying this provision to employees on disability leave due to a job-related injury.

D. FAMILY LEAVE

1. An employee may use earned but unused sick leave for:
 - a. Maternity and Birth Leave: Employees requesting leave for the temporary disability associated with childbirth, both prenatal and postpartum, shall be

treated under Sections B, Sick Leave and C, Disability Leave of this Article.

- b. Family Care: The employee may use sick time for the purpose of providing care for a newborn child, newly adopted child, or care of an immediate family member
2. Family Leave under this Section D may be used prior to the employee being eligible for FML leave under Section E of this Article or after all FML is used up.

E. FAMILY MEDICAL LEAVE ACT

Employees with one year of service with the University and who have worked for 1,250 hours in the previous 12 month period are eligible for up to twelve weeks unpaid leave for qualifying events, in a twelve month period (rolling year, see CFR 29, Part 825 200).

Employees may choose to use paid leave for these absences, if they have it available (See section B of Article 16). For bargaining unit members who use paid leave for qualifying events, the FML will run concurrently.

1. Qualifying events are:
- a. Childbirth (due to the birth or to care for the newborn child) – within twelve months following the birth of the employee’s child.
 - b. Adoption or foster care – within twelve months of the adoption or placement of a child for foster care.
 - c. Serious personal illness –
 - i. A serious health condition that results in a period of incapacity for more than three days during which the employee is unable to work, or
 - ii. A chronic condition requiring a regimen of ongoing care by a health care provider that intermittently (less than three days) renders the employee unable to work while seeking treatment or while recovering from the condition.
 - d. Serious illness of a member of the employee’s immediate family – a serious health condition (as defined in “c” above) which requires the employee to provide care. Immediate family is: father, mother, spouse and child (under 18 or over 18 if incapable of self-care.)
 - e. Qualifying exigency arising out of the fact that the employee’s spouse, child, or parent is a covered military member on active duty, or has been called to active duty, in support of a contingency operation.
 - f. Or care for a covered service member with a serious injury or illness if the employee is the spouse, child, parent or next of kin of the service member.
2. Employees will first use sick leave, where appropriate, prior to unpaid leave. Employees may choose to use vacation prior to unpaid leave after sick leave is exhausted or for events where sick leave is inappropriate.
3. Employees will give thirty days’ notice when requesting FML or as much notice as is practicable if treatment is required in less than thirty days.

4. In qualifying events relating to a serious health condition, employees will provide medical certification of the need for FML from a health care provider. The University may require an independent examination at no cost to the employee.
 - a. Employees may request paid or unpaid leave under FML by using the sick leave request form.
 - b. Any use of FML will not be counted for attendance ratings in performance evaluations or be used in other employment decisions.
 - c. Typically, FML will be taken on a continuous basis. For eligible events where an intermittent leave is medically necessary, a reduced workday or workweek may be considered. An intermittent schedule will be agreed upon before the start of the leave, whenever possible.
 - d. FML coordinates and runs concurrently with other paid and unpaid leaves.
 - e. Employees returning from FML will be returned to their former position, in accordance with this Article, Sections G (Retention of Position) and H (Return to Work).

F. OTHER

1. Court/Jury Duty Leave

An employee who is required to report for jury duty or is subpoenaed to appear before any court, commission board, or other legally constituted body, where the employee is not a party to the action, shall be entitled to leave with pay for the scheduled work hours lost as the result of such duty. For each hour of such leave taken, the employee will be compensated by the University in an amount equal to his/her straight-time rate of pay, as specified in Section H of this Article, less the amount received by the employee from the government for such appearance. An employee who reports for such duty and is excused from duty shall immediately contact his/her immediate supervisor and report for work, if requested. In order to be paid by the University for such Leave the employee must submit to Human Resources written proof, executed by the administrator of the court of having served the duration of such duty and the amount of compensation received for such duty.

2. Military Leave

An employee who is unable to report for regularly scheduled work because the employee is required to report for duty as a reserve member of the armed forces or as a member of the Ohio National Guard shall be compensated in accordance with Ohio law.

The University will adhere to any federal or state laws enacted during the term of this Agreement regarding employer responsibilities toward active employees who are members of the armed forces.

To be eligible for this leave and in accordance with federal and state law, the employee is expected to provide the order or written statement from the appropriate military commander to his/her supervisor which shall be forwarded to Human Resources.

3. Unpaid Personal Leave

An employee may apply for and may be granted a leave of absence without pay for reasons not covered by this Agreement. Employees shall give four (4) weeks written notice to the Director of Human Resources of such request, except in cases of emergency. All such leaves require specific approval of the Director of Human Resources and appropriate Vice President and shall not exceed six (6) months in duration from the last day on active pay status. A request for extension of such leave will be considered if submitted in writing to the Director of Human Resources no later than thirty (30) calendar days prior to the expected return date. Employees on such leave shall be subject to the reinstatement provisions of this Article, Section G, Retention of Position.

4. Paid Personal Leave Day

Full-time bargaining unit employees, and part-time bargaining unit employees who regularly work thirty-two (32) hours per week, who have completed their new-hire probationary period shall be granted one (1) day of paid personal leave per contract year. Request of such leave must be approved by the appropriate supervisor. This unused personal leave day shall not be carried forward to subsequent contract years.

Part-time bargaining unit employees who regularly work less than thirty-two (32) hours per week, and who have completed their new-hire probationary period, shall be granted one (1) pro-rated day of paid personal leave per contract year. For example, a part-time employee who regularly works 20 hrs. /week, will receive a “day” off equivalent to four (4) hours. Request of such leave must be approved by the appropriate supervisor. This unused personal leave day shall not be carried forward to subsequent contract years.

5. 2016-2017 Floating Winter Break Transition Day

Full-time bargaining unit employees, and part-time bargaining unit employees who regularly work thirty-two (32) hours per week, who have completed their new-hire probationary period shall be granted one (1) day of paid leave to be used between the date of BOT contract approval and June 30, 2017. Request of such leave must be approved by the appropriate supervisor. This day is a one-time, non-precedent setting transition day to the winter break. This transition day may not be carried forward to FY 17-18.

Part-time bargaining unit employees who regularly work less than thirty-two (32) hours per week, and who have completed their new-hire probationary period, shall be granted one (1) pro-rated day of paid leave to be used between the date of BOT contract approval and June 30, 2017. Request of such leave must be approved by the appropriate supervisor. This day is a one-time, non-precedent setting transition day to the winter break. This transition day will not be carried forward to FY 17-18.

For example, a part-time employee who regularly works 20 hrs. /week, will receive a “day” off equivalent to four (4) hours. The employee must receive prior approval of the requested day off from the supervisor.

6. Union Leave – Unpaid

The University will allow a total of thirty (30) unpaid working days to be granted to bargaining unit members to attend Union business each year. Any one member may use up to ten (10) days of such leave in any contract year. With the specific approval of the University President, total Union leave time may be extended to forty (40) days of which up to twenty (20) days may be used by an individual in a contract year. A request for union leave shall be submitted to the appropriate supervisor at least ten (10) working days prior to the requested time off. Such leave shall be granted to only one (1) bargaining unit member from any one (1) work area.

Upon election of an SSU bargaining unit member to Local President or Local Vice President, up to eight (8) hours per week unpaid leave time for union business is permitted. This leave should be taken in blocks of not less than four (4) hours. The union officer will obtain prior approval of the leave from his/her supervisor on a weekly basis so that scheduling of work can be accomplished. Such approval will not be unduly or unreasonably denied.

7. Voluntary Employee Reduced time (VERT)

Full-time employees may apply for an unpaid voluntary employee reduced time (VERT) or work schedule for a designated period of time but not to exceed three (3) months duration in a 12-month period. Approval of a VERT is at the discretion of the supervisor and no employee can be required to apply for such leave.

University provided health and life insurance will remain in effect for the duration of a VERT and the employee will return to his/her previous position at the conclusion of the approved reduced time/leave.

Positions eligible for a VERT include:

- a. Those in which a temporary reduction in workload is possible or anticipated due to seasonal or program requirements;
- b. Those in which the distribution of duties to the remaining staff or other support areas is achievable during the normal workday;
- c. Those in which the service and work expectations can be adequately maintained even with the reduced schedule.

Application forms for a VERT are available in the Human Resources Department. Either party may discontinue this program by written notice to the other party.

G. RETENTION OF POSITION

Upon an employee's request to return to work from any approved leave as defined in this Article, paid or unpaid, up to a maximum of six (6) months, the employee shall be returned to the same position which s/he held prior to such leave. If such leave time exceeds six (6) months, up to a maximum of twelve (12) months, the University will place such employee in the same or similar position in which the employee possesses the required qualifications necessary to perform the essential responsibilities.

H. RETURN TO WORK

In case of leave as a result of illness, a signed statement of the general nature of illness or fitness may be required by the University prior to return to work upon completion of the approved leave. Failure to submit such a statement, if required, may result in refusal to allow the employee to return to active pay status. Falsification of such a statement may result in termination of employment.

When the University requires an examination by a physician of its choice, the University shall pay the cost of the examination.

I. RATE OF PAY

Except as otherwise noted in this Article, for any paid leave taken under this Article, an employee shall be compensated at the straight-time rate of pay. 2. The University will continue group health insurance for a maximum of six (6) months for an approved disability leave that extends beyond paid time.

4. The University will offer group health continuation and conversion benefits as provided under the Consolidated Omnibus Reconciliation Act (COBRA).

ARTICLE 17

SENIORITY/PROBATIONARY PERIODS

A. GENERAL

1. "Seniority" means the length of an employee's continuous employment service as a bargaining unit employee with a hire date prior to November 7, 1994 with Shawnee State University or its predecessors expressed in terms of "Seniority Years."
2. Seniority is calculated from the first day worked by the employee as set forth in this Article, Sections B, Full-time employees or D, Regular part-time employees, whichever is applicable, and shall include the time spent on approved leaves of absence.

B. FULL-TIME EMPLOYEES

A full-time employee hired prior to November 7, 1994 shall be credited with seniority for uninterrupted, continuous employment with Shawnee State University, or its predecessors or any previously recognized Ohio state agencies, in such full-time status. Such credit shall be on the basis of one (1) year of seniority for each year of employment.

Full-time bargaining unit hired on or after November 7, 1994 shall be credited with seniority only for uninterrupted, continuous employment with Shawnee State University or its predecessors. Such credit shall be on the basis of one (1) year of seniority for each year of employment.

Seniority awarded to an Administrative Technical Support Staff (ATSS) employee transferred into the bargaining unit prior to November 7, 2004 shall retain such seniority throughout the bargaining unit assignment.

C. PROBATIONARY PERIODS

1. Newly Hired Employees

A newly hired employee shall be considered probationary for a period of one-hundred eighty (180) calendar days, unless mutually extended by the University and the Union for an additional thirty (30) calendar days, from the date of employment in a bargaining unit position. Probationary employees are covered by this Agreement in accordance with its terms except that the final step of the grievance procedure, arbitration, is not available to a probationary employee. During the probationary period, employees can be terminated at the University's discretion.

- a. At or near the midpoint of the new-hire probationary period (e.g. 90 days), a mid-term probationary performance evaluation is required. A meeting with the employee and the supervisor shall be scheduled to conduct this evaluation. The appropriate union representative will attend the meeting. Performance progress including any deficiencies, training needs and other work-place issues will be discussed at this meeting. If necessary, an action plan and date for a follow-up meeting will be scheduled.
- b. Time spent as a temporary employee will be applied toward this probationary period if such employee is hired without a break in service into the regular

position which was held in temporary service. If a temporary employee is hired without a break in service to a similarly classified position, the employee will serve at least thirty (30) days of the probationary period in regular service. In either case, terms of this Agreement are not applicable to employees serving in a temporary position.

- c. An employee with less than 180 days in his/her current position may be granted bidding privileges for a specific position by mutual agreement of the University and the Union.

2. Employees Changing Positions

An employee who moves to a new bargaining unit position shall be considered on probation for a period of ninety (90) calendar days. This time will be used for adequate on-the-job orientation of position requirements and evaluation of the skills and abilities of the employee in the new assignment.

If, during the probation, the University determines that an employee is unable to perform the requirements of the new position, such employee shall be returned to his/her prior position or a similar position. In such case where the employee is returned to the prior position, the rate of pay shall be adjusted to the rate held previously.

D. REGULAR PART-TIME EMPLOYEES

Effective January 1, 2017, a jointly approved seniority list will be established. All new part time bargaining unit members will have hire date applied as their seniority date. Such credit shall be on the basis of one (1) year of seniority for each year of employment.

E. LOSS OF SENIORITY

An employee's seniority shall terminate if such employee:

1. Quits or resigns
2. Is discharged
3. Is laid off for a period of more than twenty-one (21) consecutive months
4. Fails to report to work as scheduled after leave of absence or layoff

An employee's seniority shall stop accruing during the time such employee holds an administrative or ATSS position. If such employee returns to the bargaining unit, his/her seniority will be calculated based on years of continuous service less time spent as an administrator or ATSS.

Employees re-employed after termination of seniority shall not regain credit for such terminated seniority.

ARTICLE 18

REPORT-IN/ABSENCE AND TARDINESS AND EMERGENCY CLOSING

A. REPORT-IN

All employees covered under the terms of this Agreement shall be at their assigned report-in locations ready to commence work at their starting time. For all employees, extenuating and mitigating circumstances shall be taken into consideration by the University in dispensing discipline.

B. ABSENCE AND TARDINESS

1. In the case of absence or tardiness, it is the obligation of each employee to personally, unless physically incapacitated, notify his/her immediate supervisor, or in their absence, the next higher level supervisor, prior to the employee's normal reporting times or, if such is impossible, as soon thereafter as possible.
2. Regular attendance at work is expected from all bargaining unit employees. The University may consider several different factors in determining excessive absenteeism, including but not limited to the following:
 - a. The overall attendance record of the bargaining unit employee. The use of approved vacation time or comp time will not be considered when determining excessive absenteeism.
 - b. Patterns of absence in conjunction with certain days off, or particular work assignments or other identifiable patterns or "unexcused" absences. It is acknowledged that any discipline associated with absenteeism shall be in compliance with Article 19, Discipline.

C. EMERGENCY CLOSING

1. For purposes of this Article, the University shall be considered closed when the President, or designate, announces that the University is closed for business due to inclement weather or other emergency conditions beyond the University's control. Official notice of University closing shall be communicated through the local media and established internal communication procedures.
2. Bargaining unit employees shall not report for work during an emergency closing unless they have been called in or their supervisor has granted prior approval. It is the responsibility of the bargaining unit employee to determine whether or not the University is closed.
3. When an emergency closing occurs prior to the normal start time, bargaining unit employees will receive their regular wage rate for the hours they are not permitted to work, not to exceed eighty (80) hours of paid time per fiscal year. Employees may request vacation or accumulated comp time for hours that exceed the fiscal year maximum (eighty hours).
4. Bargaining unit employees who are called in by their immediate supervisor shall receive two and one-half (2 ½) times their regular hourly wage rate for all hours worked.

5. When the University is closed during the course of regular business hours, employees who are asked to continue to work in order to complete their normal assigned duties, shall be compensated at two and one-half (2 ½) times their normal wage rate for the remainder of their scheduled shift. If employees are required by their immediate supervisor to work beyond their normal scheduled shift, they will receive two and one-half (2 ½) times their normal wage rate for the overtime hours worked during an emergency closing. Employees who are released from work due to the emergency closing shall receive their normal hourly wage rate for the balance of their scheduled shift.

ARTICLE 19

DISCIPLINE

- A. No bargaining unit member shall, for disciplinary reasons, be reduced in pay or position, discharged or removed except for just cause. All disputes concerned with disciplinary actions will be processed through Article 6, Grievance Procedure.
- B. The University agrees that it will not unreasonably or arbitrarily delay in the processing of any contemplated disciplinary action. The provisions of this Article shall apply only to actions taken for disciplinary reasons. Demotions as used in this Article shall not mean demotion while on probation.
- C. The University will follow the principles of progressive discipline. Disciplinary action shall be reasonable and commensurate with the offense. Disciplinary action shall include:
1. Verbal reprimand, with appropriate notation in file.
 2. Written reprimand.
 3. Suspension(s).
 4. Termination.
- D. The University shall not use the knowledge of an event giving rise to the imposition of discipline to intimidate, harass, or coerce an employee.
- E. An employee shall be entitled to the presence of a union representative at an investigation interview upon request and if s/he believes that the interview may be used to support disciplinary action against him/her. This request may be made prior to the interview or any time during such interview.
- F. An employee has the right to a hearing prior to the imposition of a demotion, suspension, or termination. Prior to the meeting, the employee and his/her steward shall be informed in writing of the reasons for the contemplated discipline and the possible form of discipline. A union representative can be present at such hearing.
- G. At the discretion of the University, in cases where the event is of such serious nature, the employee may be suspended with pay until an investigation is conducted.
- H. The University shall make a final decision on the recommended disciplinary action as soon as reasonably possible but no more than fifteen (15) calendar days after the conclusion of the pre-discipline hearing.

- I. If the final decision is made to impose discipline, the employee and the Local Union Official shall be notified in writing. Once the employee has received written notification of the final decision to impose discipline, the disciplinary action shall not be increased.
- J. A copy of a written reprimand issued to an employee shall be given to the Local Union Official.

ARTICLE 20

REDUCTION IN FORCE/RECALL

A. NOTICE

Should the University decide a force reduction is necessary; the University will meet with the Union to discuss alternatives to minimize the anticipated reduction in force.

When the University determines that a reduction of the work force will be implemented, where possible the University will give the affected employee(s) and the Local Union President (or designee) advance written notification no later than fifteen (15) working days prior to the contemplated effective date.

B. REDUCTION PRIORITY

1. Where a reduction in the work force of the University or of any department is necessary, the University will achieve such reduction on the basis of available work within each job classification. Layoffs shall be in the inverse order of seniority provided, however, that the University can retain a less senior employee possessing essential certifications or licenses required by the University or the department and issued by a federal, state or local government, or a recognized professional association.
2. The University will effect such force reduction on a University or departmental basis in keeping with the following:
 - a. The layoff of seasonal and casual employees, and intermittent employees as defined in Article 2 (C), Recognition;
 - b. The layoff of probationary employees as defined in Article 17 (C) (1);
 - c. The layoff of part-time employees;
 - d. The layoff of full-time employees.
3. Any employee who would otherwise be laid off may bump the least senior employee as follows:
 - a. In their bumping series as outlined in Appendix C, or
 - b. In another bargaining unit classification previously held with the University and for which the employee remains qualified to perform all work available.
4. An employee who elects not to bump shall not lose rights to recall to his/her regular job, but shall lose future bumping rights for the duration of the layoff.
5. No employee shall be able to bump into an apprentice position.

C. RECALL PRIORITY

1. The University will determine when it is necessary to fill a vacancy or increase the bargaining unit work force following a layoff/force reduction.
2. The University will recall a laid off employee (with un-expired recall rights) to his/her original position held prior to the layoff.
3. Vacant positions made available by the University and not filled pursuant to paragraph 2 will be posted internally prior to extending an offer of recall to any other laid-off employee. If no employed bargaining unit candidate is qualified or accepts the vacant position, an employee eligible for recall will be offered the position if the employee meets the posted requirements.
4. An employee who has elected to bump into a lower classification retains reinstatement rights to his/her original position. Such employee shall have an opportunity to return to that original position for a period of 21 months from the bumping date before any other laid off employee with lesser seniority will be recalled or a new employee hired.

D. RECALL NOTICE

1. It is the obligation of each laid off employee to keep the Human Resources Department informed in writing of his/her current address and phone number in the event a recall may occur. The University fulfills its obligation as to recall by mailing the recall notice to such address.
2. When the University desires to recall an employee from layoff, it shall notify him/her by registered or certified mail to the employee's most current address as shown on the records of Human Resources. Within seventy-two (72) hours of receipt of such notice, the employee must contact Human Resources in person, by phone, voice mail, or email, advising of the acceptance of the recall.
3. The employee must report back to work within eight (8) calendar days after the date the recall notice was tendered. Such time may be extended to a maximum of fourteen (14) calendar days due to personal illness. The employee shall provide a physician's statement attesting to the illness or disability.
4. Failure to comply with any of the time limits set forth above, or failure to keep the University informed concerning the latest correct address shall result in forfeiture of all recall rights.

E. FAILURE TO ACCEPT RECALL OR REPORT

1. If an employee refuses a recall offer to the same position held prior to the layoff, then the employee shall forfeit any remaining recall rights.
2. If, after posting procedures are concluded, an offer of recall to a different position in the same pay grade is refused, the employee forfeits any remaining recall rights.

- 3. If, after posting procedures are concluded, an offer of recall to a lower position is refused, the employee shall forfeit recall rights to that position. The University is not obligated to offer more than two (2) opportunities for recall to lower positions.
- 4. Recall will not be offered to a higher classification; however, the laid-off employee may elect to bid on such vacancy according to established bidding procedures (see Article 11, (B) (5), Job Vacancies). It is not the responsibility of the University to advise the laid off employee of available posted positions.
- 5. If an employee accepts a recall offer but fails to respond according to notice timelines or fails to report as outlined in this Article, Section D, that employee shall forfeit any remaining recall rights.

F. INSURANCE

The University will permit the laid-off employee to participate in group insurance programs as required by the continuation and conversion rights under COBRA legislation. Such employee must meet any program requirements and pay premiums and related costs as are authorized under state and federal regulations.

G. RECALL RIGHTS

An employee’s right to be recalled from layoff under this Article shall continue for twenty-one (21) months following the date of layoff.

ARTICLE 21

CONTRACTING OF WORK

- A. It is not the University’s intent to contract to the harm or detriment of its employees. However, the University reserves the right to contract for goods and services to the extent not inconsistent with applicable law.
- B. In the event of such contracting out or subcontracting, no employee shall be laid off, forfeit recall rights, or take a reduction in pay as a result thereof.
- C. Nothing in this Article shall be construed to affect any current contracts, or their renewal, or to prevent any contracting which does not produce any of the foregoing prohibited results.

ARTICLE 22

RETIREMENT

- A. All bargaining unit employees, as required by Ohio statutes and regulations, shall participate in the Ohio Public Employees Retirement System (OPERS) or the Alternative Retirement Plan (ARP).
- B. The mandated OPERS contribution shall continue to be taken from each employee’s paycheck. The University shall continue to contribute the mandated rate. All retirement

contributions are controlled by Ohio Public Employees Retirement System and are subject to change upon their direction.

- C. The University shall continue to administer the retirement program in compliance with the regulations and requirements of OPERS.
- D. Any alternative retirement plan(s) adopted by the Ohio legislature that requires the University to permit the enrollment of classified employees (as defined by O.R.C. 124) will be made available to bargaining unit employees in accordance with the provisions of that law.

ARTICLE 23

BULLETIN BOARD

- A. The University will provide one locked, glass-enclosed bulletin board in an agreed-upon location which may be used by the Union for posting notices of the following types:
 - 1. Union recreational and social events
 - 2. Union elections
 - 3. Results of Union elections
 - 4. Union appointments
 - 5. Union meeting notices
 - 6. Rulings or policies of the Union
- B. It is understood that the purpose of said bulletin board is to provide the Union with a means of communicating official Union business such as above referenced. No posted material shall contain any critical, misleading, or scurrilous attacks upon the University or any individual. The key for the board shall be maintained by the Local Vice President who shall be responsible for posting all Union materials.

ARTICLE 24

ON CAMPUS EDUCATION BENEFITS

A. GENERAL PROVISIONS

- 1. The University will provide undergraduate on campus education benefits for all full and part-time bargaining unit employees (including those laid-off employees who have un-expired recall rights) and dependents of full and part-time (as defined in this Article) for instructional, general and out-of-state fees.
- 2. All necessary and required forms must be completed, including completion of the fee waiver form, at least two (2) weeks prior to the beginning of the class.
- 3. The maximum lifetime allowance per person for benefits under this Article shall be 160 semester hours, 240 credit hours, or the equivalent combination of quarter and semester hours (2 semester hours = 3 quarter hours).

4. Enrollment must follow regular registration procedures.
5. Those programs or courses which have special admission requirements for class size limitations will be available to employees in the same manner as available to the general student population, and employees shall be required to compete for admission into these programs or courses with other student applicants.
6. If an employee/dependent is eligible for Pell or OCOG grants, such funds will apply against applicable educational expenses as stipulated by the grant.
7. No employee or his/her dependent will be entitled to on campus education benefits money, nor will the University be required to pay, for any classes that have been already taken by the employee or the dependent and failed or otherwise not successfully completed by such employee or dependent (excluding withdrawals from courses prior to the Census date as defined in the Glossary of Terms of this Agreement). Withdrawals after the Census date, due to extenuating circumstances, may be considered for potential on campus education benefits upon approval by the Human Resources Director (or designee).

B. BARGAINING UNIT EMPLOYEES.

1. Enrollment in undergraduate courses are permitted at Shawnee State University up to a maximum of two courses not to exceed eight (8) credit hours per semester for full-time employees and six (6) credit hours for part-time employees. If an employee is registered in a course of study prior to his/her retirement, the retiree may request an on campus education benefit for four (4) credit hours per semester for one academic year. Reimbursement will be made at the end of the semester with evidence of successful completion of the course with a grade of C or better.
2. In order to avoid interruptions on the job, employees shall register for classes which meet outside of their regular work schedules. An exception may be made for one class per semester if: a) the employee has prior supervisor approval; b) the course is ONLY AVAILABLE during normal work hours; c) the course is REQUIRED for completion of a degreed program; and, d) a flexible schedule can be arranged which contains forty (40) hours/week, not to exceed eight (8) hours in any given day.
3. If an employee/dependent/retiree is eligible for Pell or OCOG grants, such funds will apply against applicable educational expenses as stipulated by the grant.

C. FULL-TIME AND REGULAR PART-TIME EMPLOYEES' DEPENDENTS.

1. Dependent is defined as the full-time and/or part-time bargaining unit employee's spouse or any children twenty-four (24) years of age or younger and dependent upon the employee as defined under IRS rulings.
2. Full-time employees: The University will provide on campus education benefits for dependents of full-time employees to pay for instructional, general, and out-of-state fees up to a lifetime maximum of 160 semester hours, 240 quarter hours, or the equivalent combination of quarter and semester hours (2 semester hours = 3 quarter hours).
3. Part-time employees: The University will provide on campus education benefits for dependents of part-time employees regularly working at least twenty (20) hours per week

for up to six (6) credit hours per semester for instructional, general, and out-of-state fees up to a lifetime maximum of 160 semester hours, 240 quarter hours, or the equivalent combination of quarter and semester hours (2 semester hours = 3 quarter hours).

- 4. Instructional, technology, and general fees to attend undergraduate classes at Shawnee State University will be waived for two (2) years following the disability date for dependents of full-time employees who are placed on OPERS disability retirement, after the effective date of this agreement, up to a maximum 160 semester hours, 240 quarter hours, or the equivalent combination of quarter and semester hours (2 semester hours = 3 quarter hours).

CROSS TRAINING PROGRAM (CTP)

- A. In the interest of staff development, an employee, his/her immediate supervisor and the receiving supervisor, may voluntarily agree to a temporary cross training assignment. This training opportunity is not intended to conflict with provisions outlined in Article 11, Job Vacancies, Posting and Reassignment, paragraph C., Temporary Assignment. Experience gained during cross training assignments may be considered in the meeting of minimum requirements as listed on job postings.
- B. Time spent in a CTP as provided in this Article will be considered working time.

- C. The wage rate during a CTP will remain the employee’s current wage rate or rate of the duties which are assumed, whichever is less.
- D. A CTP assignment shall not exceed a ninety (90) day period. Such assignment may be on a part time basis. Employees will be eligible for no more than two (2) CTP assignments during the life of this Agreement. In an effort to minimize service and/or operational disruptions, the number of CTP assignments at any one time will be limited at management’s discretion.
- E. Since the purpose of the CTP is to provide a means for employees to gain experience and knowledge helpful for future positions, it is understood that at no time will employees be required to participate in a CTP assignment in a different department or area. Likewise, no grievance will be filed if an employee’s request for a CTP assignment is denied by management.
