

## **Student Affairs Mission**

The mission of Shawnee State University's Division of Student Affairs is to provide focused attention that leads to empowerment and academic and personal success. Student Affairs will:

1. Foster a supportive environment, conducive to holistic, transformative learning.
2. Challenge students to develop accountability and responsibility while embracing and valuing differences in self and others.
3. Provide opportunities for engagement and leadership through sustainable, collaborative partnerships and service to the University and the greater community.
