4. Attendance 25 participants
  - 4.1 President Bauer
    - Hopefully will finish in person work before Thanksgiving unless you are in a specific program
    - County Level 3 and University response and potential Code purple
      - There is no direct plan in what we do on campus, but additional restrictions would probably be added. Total 30 + students and 6 + employees. The past 3 weeks we have had 20 +. About 6 per week and that is a concern. Local health department helps us determine what the next moves would be if our cases continue to rise, but he doesn't see this happening.
    - Spring Semester changes
      - No important break throughs in early January, the situations will probably be the same as this semester. Hopefully by summer, things will turn to normal.
    - Spring break
      - Still want to keep our spring starting and ending the same as it shows on our schedule right now
    - Commencement
      - Trying to have a partially in person commencement but with no visitors. Held in Vern, small platform party, it would all be streamed. There will be an invitation for Spring graduates of 2020 to walk and if there are enough people interested, they will figure out how to make that work.
    - Student Meetings
      - Likely will ease up the restrictions of the student meetings. Trying to open up for small meetings of 10 or less still following social distancing and mask wearing.
    - Election
      - Encouraged all students to vote!!!!
