

Shawnee State

Thank you for your interest in the Federal Work-Study (FWS) program at SSU. The FWS program is a federally funded program that provides part time jobs for students who exhibit financial need. To apply for FWS employment you must complete a FWS application. Please be advised that you must complete a FAFSA before we can determine your eligibility. Not having a FAFSA on file will keep the Office of Financial Aid from determining if you are eligible for the FWS program. If eligible you will receive a letter from our office stating your eligibility status and further instructions on how to apply for jobs vacancies in the program.

\*\* Please note that completing this application does not guarantee you will receive a job. \*\*
