

2024-2025 Petition for Independent Status

The Financial Aid Office at Shawnee State University is required to consider parent information when determining financial aid eligibility for students who are not independent according to the FAFSA. Exceptions to this requirement are made only when adequate documentation of extenuating circumstances exists. Extenuating circumstances generally are defined by a student's inability to have contact with their parents.

Your FAFSA and all verification documents must be submitted prior to filing a Petition for Independent Status.
